FIRST STREET LANE CLOSURE

Due to the ongoing Cornerstone construction project and safety concerns, the east lane closure of First Street's northbound lanes between Lincoln Highway and the railroad tracks north of Franklin Street has been extended and will remain in place until Friday, September 15. The lane closure will remain in place 24 hours a day. Southbound lanes will remain open with intermittent traffic controls for passing construction equipment. The City asks residents to proceed with caution. Surrounding local businesses will remain open during the extended closure.
