

Overweight/Oversize Permit Processing

September 1, 2017

Effective September 1, 2017, the City of DeKalb will be implementing a new process for securing overweight/oversize permits. An online-based permitting system via www.oxcartpermits.com will replace the application by fax or email method. Permits forms submitted after February 29, 2016, will not be accepted or approved. Any company wanting to apply for an overweight/oversize permit for the City of DeKalb, on or after September 1, 2017, must utilize the Oxcart permitting system.

Use this link to register <http://oxcartpermits.com/users/signup>. Once registered, individuals or companies will be able to secure overweight/oversize permits as follows:

- Access a simple-to-use online interface and request local permits.
- Paperless permits downloadable to your computer or any mobile device.
- Eliminate tedious paper processes, faxing, and phone calls.
- Features an online, interactive mapping solution to assist in route selection.
- Online permit approvals pushed to your email inbox.
- Provide an easy, online payment system.

The fee for Overweight or Oversize Vehicle Permits is payable at the time permit requests are made.

Overweight Vehicles Fee Schedule

Permit Size - Weight in Pounds	Fee: One-Way	Fee: Round-trip	Fee: Multiple Trips (April-December)
