1. Fire Hydrant Painting Program

Planner Michnick drafted an application and memo that he reviewed with the commission. It is named Paint-a-Plug Application. Once it is on the city's website it

can be download. There will also be an e-mail address applicants can send the application to. The fire department will be reviewing it. He changed the painting dates between April 1 and November 1 since NIU students will be included. Mr. Hoey added it could be part of the Huskie Pride initiative and Homecoming project. Art students will be involved. April would be the first meeting that applications will be reviewed. There will be a city press release announcing this program. Planner Michnick will make some changes that were talked about. Mr. Mooney made a motion to recommend the Fire Hydrant Painting Program to the city council, Mr. Hoey seconded the motion. Planner Michnick said he would like the press release to go out around March 1st.
