The DeKalb Police Department Is Stepping Up Traffic Safety Efforts This Labor Day, Remember: Drive Sober or Get Pulled Over

As families and friends plan their end-of-summer celebrations for Labor Day weekend, the DeKalb Police Department is partnering with the Illinois State Police and law enforcement across the state to stop impaired driving and help save lives.

“We’ll be out in force to keep impaired drivers off the roads with the goal of ensuring our community’s residents and visitors make it home safely once the parties end,” said Commander Chad McNett. “If you’ll be celebrating, we urge you to plan ahead for a sober ride.”

The high-visibility “Drive Sober or Get Pulled Over” enforcement campaign runs from Aug. 19 through the early-morning hours of Sept. 6. During this period, law enforcement will be stepping up efforts focused on impaired, unbuckled, and distracted drivers.

Before the party starts, remember to designate a sober driver, and don’t let friends or family members drive impaired. Other important tips include:

- If you’re hosting, make sure all your guests designate a sober driver in advance, or arrange ridesharing or another sober ride home. Also, serve lots of food and include non-alcoholic beverages at the party.
- If you do not have a designated driver, ask a sober friend for a ride home, call a cab, or stay where you are and sleep it off until you are sober.
- Don’t let friends leave your sight if you think they are about to drive impaired.
- Always buckle up – it is your best defense in a crash.
