See attached Exhibit A

Contractor represents that it possesses the skills and knowledge necessary to provide all such services and understands that the City is relying upon such representation. With regard to the provision of services directly from Contractor and its Resident Support Specialist (as described in Exhibit A), Contractor shall provide all equipment and resources necessary for such employee of Contractor to perform all assigned functions and roles.

The Parties agree and acknowledge that Contractor shall utilize the services of third party subcontractors to perform portions of the services. Contractor shall be responsible for ensuring the completion and oversight of all such third party services. In addition, prior to any subcontractor initiating the provision of services, such subcontractor shall provide a signed acknowledgement in the form attached hereto, accepting the defense and indemnification obligations outlined herein.

B. Term:

Services will be provided as needed and directed by the City beginning on the date of execution of this agreement and continuing, until terminated by either party upon seven (7) days written notice to the non-terminating party. This Agreement may be terminated by either of the Parties for cause, for convenience, or may be terminated by the City based upon the non-appropriation of funds. Upon termination the Contractor shall be compensated for all work performed for the City prior to termination and shall provide to the City all work completed through the date of termination. The City's issuance of a notice of termination shall function as a stop work order, beyond which the Contractor shall not incur any additional costs without the City's express, written permission.

C. Compensation:

Contractor shall receive as compensation for all work and services to be performed herein, an amount based on the fee schedule attached hereto as Exhibit A. All payments will be made according to the Illinois State Prompt Payment Act.

No change in fee schedule shall be permitted where such change would result in the costs exceeding available, budgeted, and appropriated sums within a given fiscal year (it being acknowledged by Contractor that the City's total liability under this Agreement shall be capped at the figure described in Exhibit A), not to exceed the budgeted/appropriated funds within a given fiscal year.
