Dealer shall have no responsibility or liability related to the Product(s) after Customer receives either possession or title to the Product(s).

9. **Governing Law; Venue; Time to Commence Action.** Except to the extent that the laws of the United States may apply or otherwise control this Order, the rights and obligations of the parties hereunder shall be governed by, and construed and interpreted in accordance with, the laws of the state in which Dealer is located, without regard to conflict of law principles. The mandatory venue for any claim, litigation, civil action or any other legal or administrative proceeding ("Action") involving any controversy or claim between or among the parties to this Order, is the state in which Dealer is located. Customer has one (1) year from the accrual of any cause of action arising from the purchase of the Product(s) to commence an Action against Dealer.

10. **Limitation of Damages.** Customer agrees that in the event of any Action brought by Customer against Dealer, Customer shall not be entitled to recover any incidental or consequential damages as defined in the Uniform Commercial Code, including but not limited to indirect or special damages, loss of income or anticipated profits, or down-time, or any punitive damages.

Additionally, the signature of any party on this Order transmitted by way of a facsimile machine or email shall be considered for all purposes as an original signature. Any such faxed or emailed document shall be considered to have the same binding legal effect as an original document. At the request of Dealer, any faxed or emailed document shall be re-executed by Customer in an original form.

13. **Waiver; Severability.** No waiver of any term of this Order shall be valid unless it is in writing and signed by Dealer's authorized representative. If any provision or part of any provision of this Order shall be deemed to violate any applicable law or regulation, such invalid provision or part of a provision shall be inapplicable, BUT the remaining part of that provision and the remainder of the Order shall continue to be binding and enforceable.

14. **No Broker; Manufacturer Incentives.** If at any time Dealer determines that the Customer intends to engage in the resale of vehicles for profit, where such resale is not in conjunction with further manufacturing, Dealer reserves the right to cancel this Order. Certain manufacturer incentives are intended to be used for retail customers at the location as identified by the Customer in this Order. Customer represents that they will register the vehicle with their state motor vehicle department and are not purchasing this vehicle with the intent to resell/export the vehicle, except where such resale is in conjunction with further manufacturing. If at any time Dealer determines that the foregoing representations are not true, Dealer has the right to seek repayment of any manufacturer incentives that are paid.

15. **Communication Consent.** Dealer and any other owner or servicer of this account may use any information Customer gives Dealer, including but not limited to email addresses, cell phone numbers, and landline numbers, to contact Customer for purposes related to this account, including debt collection and marketing purposes. In addition, Customer expressly consents to any such contact being made by the most efficient technology available, including but not limited to, automated dialing equipment, automated messages, and prerecorded messages, even if Customer is charged for the contact.
