Table continues on next page.

Species for locations with overhead powerlines.			
Species	Resident's cost per tree	Quantity	Resident's total cost
Autumn Brilliance Serviceberry	\$175		
Royal Raindrops Crabapple	\$162.50		
Starlight Crabapple	\$175		
			Total Cost

In the space below, draw a site plan showing any utility poles, street lights, fire hydrants, driveways and existing trees. In the planting area, mark with an **X** where you would like the new tree(s) planted.

Minimum spacing is generally 40 feet between trees and 10 feet from driveways, manholes and hydrants. The City of DeKalb reserves the right to adjust the location of a tree if it will interfere with underground utilities.

The completed form with a check made payable to the City of DeKalb should be mailed to:
 DeKalb City Hall
 164 E. Lincoln Hwy
 DeKalb IL 60115

The completed form and payment may also be submitted in person at the Finance Department on the first floor of City Hall.
