This Intergovernmental Agreement (the "Agreement") between the City of DeKalb, an Illinois municipal corporation (the "City") and the DeKalb Community Unit School District No. 428 (the "District") is entered into as of July 1, 2025~~July 1, 2022~~ (the "Effective Date"), with the City and District collectively referred to hereafter as "the Parties."

The Parties regularly cooperate on a wide variety of issues, and through this Agreement, seek to memorialize the terms of cooperation relating to School Resource Officers (SROs). This Agreement has been entered into pursuant to the approval of the City's corporate authorities and the District's School Board, following approval by each public body during an open meeting. This Agreement is entered into pursuant to the Illinois Municipal Code, the Illinois School Code, the City's home rule powers, the applicable provisions of the Illinois Constitution, and the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1, *et seq.*

### RECITALS

**WHEREAS**, the Parties jointly embrace the vision of an exemplary school district that inspires and promotes high standards of learning and student well-being in partnership with parents, guardians, and the community; and

**WHEREAS**, the Parties jointly support the mission of educating every student in a safe learning environment so that they may develop to their highest potential and become contributing citizens; and

**WHEREAS**, the Parties acknowledge the need for certified SROs consisting of full-time, sworn City police officers to ensure a safe learning environment in the District's schools located in the City's corporate limits; and

**WHEREAS**, the Parties agree that the District is obligated to fairly and consistently enforce student codes of conduct to promote the development of self-discipline as a lifelong skill; and

**WHEREAS**, the Parties agree that the prevention of violence and bullying in schools will not succeed without relationship-building to foster trust and respect among students, parents, guardians, District officials, and City officials ~~;~~ ~~and~~

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein and other good and valuable consideration, the adequacy and receipt of which are hereby acknowledged, the Parties agree as follows:

- 1. Incorporation of Recitals:** The Recitals set forth above are adopted and incorporated herein by reference as this Paragraph 1.

## 2. Code of Conduct

- A) The District's student code of conduct shall be as stated in the District's Policy Manual including, but not limited to, Policy 7:190 (Student Behavior), and in the District's student handbook. ~~The District represents and warrants that it is undergoing a comprehensive review, revision and update to its disciplinary rules and student code of conduct. The City acknowledges receipt of a draft of the District's updated student code of conduct. The District is further undergoing a safety audit and will be implementing updated multi-tiered behavioral interventions and security measures for the 2022-2023 school year. The District will finalize its student code of conduct, present it to the Board of Education for approval, and distribute it to all parents and students prior to the start of the 2022-2023 school year, either separately or within the updated parent-student handbook. The Parties acknowledge that the District's timely performance of its undertakings described in this paragraph shall be a necessary precondition to the City's performance of its duties under this Agreement.~~
- B) A student handbook, including the District disciplinary policies and rules, shall be distributed to the students' parents/guardians within 15 days of the beginning of the school year or a student's enrollment.
- C) The District's parent/student handbook shall be available at all times for review on the District website (in a prominent, easily accessible location to be determined by the District) and in the administration office of each school.
- D) The City's SROs shall recognize and value the authority and responsibility of District officials in enforcing the District's code of conduct, respect the educational and personal rights of the District's students, and collaborate in the maintenance of a non-hostile learning environment.
- E) Nothing in the District's Code of Conduct shall prevent the SROs from performing their duties ~~in regard to~~ regarding the investigation and/or prosecution of incidents of unlawful behavior under applicable law including, but not limited to, State law and the City's Municipal Code. The Parties acknowledge that the SROs are primarily responsible for criminal law issues, and not school discipline issues. Unless prohibited under the School Code applicable law, SROs shall be free to issue ~~any~~ citation(s) to a student that the SROs reasonably believe may be warranted under State law and the City's Municipal Code, regardless of the District's student disciplinary action; provided, however, that: (1) the District shall not direct the SROs to issue any citation(s) to a student as a discipline consequence or in lieu of disciplinary proceedings under the School Code, and (2) the Parties agree that the appropriate disposition of any such citation(s) issued to a student by SROs shall be an order requiring said student to perform community service in a program that is permitted, operated or supervised by the District. If the SROs

become aware of a student discipline issue, they shall refer the issue to the District's administration. If the District becomes aware of a potential criminal law or security issue, the District shall refer the issue to the SROs. If the SROs commence criminal law enforcement actions, they shall adhere to applicable District policy, City policy, and legal requirements regarding investigations, interviews, and arrests of students occurring on District property including, but not limited to, 105 ILCS 5/22-85 and District Policy 7:150 (Agency and Police Interviews).

- F) The Parties' designated representatives agree to meet regularly (either monthly or quarterly) to discuss any issues that may arise under this Agreement.

### **3. School Resource Officers**

- A) The City shall assign five (5) full-time, sworn police officers to the District as SROs. The Parties agree that the assignment of the SROs shall customarily be as follows:

- DeKalb High School: 2 SROs.
- Clinton Rosette Middle School: 1 SRO
- Huntley Middle School: 1 SRO
- Elementary Schools: 1 SRO. For the ~~six (6)~~seven (7) elementary schools within the City's corporate limits, one (1) SRO will rotate between the schools in the manner determined by the Parties based on daily operational needs.

Any reduction or expansion of the number of SROs identified in this Section 3 may only occur with the Parties' mutual, written consent in a sub-agreement in the manner provided by this Agreement; provided, however, that District shall give the City written notice of its intent to revise the number of assigned SROs for an applicable school year no less than 120 calendar days before the commencement of said school year, and the Parties shall enter into a sub-agreement no less than 90 calendar days before the commencement of said school year. In the event that the Parties fail to timely enter into such a sub-agreement, the Parties agree that the number of SROs shall not change. The Parties further agree that the time requirements under this section are essential and material to this Agreement.

The duties of the SROs shall include, but not be limited to: investigations of violations of the law; classroom presentations; protection of students, school personnel and school property; participation in the development and administration of school security policies and practices; training for school staff and security personnel; and such other duties as set forth on Exhibit A or assigned by the City's Police Chief (the "Chief"). From time to time, the District Superintendent may request from the Chief certain modifications to the duties and responsibilities of the SROs. The Chief shall exercise reasonable discretion in accommodating or denying the Superintendent's request to modify the duties and responsibilities of the SROs.

The SRO shall not conduct investigations that are non-criminal in nature, such as residency or truancy. The SROs shall comply with applicable District policies and procedures ~~in the course of~~ during the SROs' duties, which shall include the policies listed in Exhibit B.

The Chief shall assign specific officers to SRO duties, subject to the District's advice and consent; provided, however, that all such officers assigned to SRO duties shall possess the qualifications listed in Exhibit C. The Chief shall review and consider any request by the District ~~with regard to~~ regarding SRO selection, SRO assignment, or changes in SRO assignment. The Superintendent (or designee) may request to hold interviews of the eligible police officers in the presence of the Chief (or designee). At any time during the term of this Agreement, the City shall replace the SRO with another police officer who meets the criteria set forth in this Agreement, if, after consultation with the Chief, the District provides the Chief with a written request setting forth the rationale for the requested replacement, and the City has a suitable replacement given its then-existing operational needs and duties under this Agreement as determined in the Chief's reasonable judgment. If an SRO is no longer assigned to the District, the SRO ~~or she~~ shall immediately ~~shall~~ return to the District all District property (including, without limitation, fobs, keys, radios and any other items owned by the District).

SRO safety and security equipment stored on District property shall be according to confidential safety and security protocols developed in writing and signed by the Superintendent and Chief of Police.

SRO's use of a body camera shall be in accordance with the *Law Enforcement Officer-Worn Body Camera Act* (50 ILCS 701/10-1, *et seq.*), applicable law, and City policy listed in Exhibit D.

- B) The Parties acknowledge that the location of assignments of the SROs may be in any of the District's schools located in the City's corporate limits, but shall be primarily located as defined in Section 2(A), above, depending upon the necessity for their services. School assignments on any given day will be determined by security concerns, as related by District personnel, and the calls for service at any school facility. The SROs may also be requested to attend after school activities outside of normal school hours. Such requests may be made by the administration of the District's schools located in the City's corporate limits.
- 1) While on duty at any school, the SRO shall be supervised by a designee of the Chief, and functional supervision shall lie with the administration of the building in question. When the District is not in session, the SROs shall be assigned to such police activities as the City shall deem appropriate.
  - 2) The City shall attempt to schedule the SROs' vacation time concurrently with the District's vacation time. ~~In the event that~~ if such scheduling is not possible,

the City will not be obligated to provide the services of another officer as a substitute for the vacationing officer. If an SRO is absent, the District may request that the City reassign another SRO to cover the absent SRO's duties, which the City shall approve, subject to the Chief's reasonable judgment. In the event of an extended absence, which shall be defined as an uninterrupted period of more than two (2) calendar weeks, the City shall exercise reasonable efforts to provide the services of another officer as a substitute for the SRO.

- 3) If the City fails to provide at least three (3) SROs to perform the SROs' duties during a school day under this Agreement (the "SRO Minimum"), then the District shall receive a credit to be applied against the District's Total SRO Cost for each school day that the City fails to provide the SRO Minimum, which shall be the District's sole and exclusive remedy for the City's failure to provide the SRO Minimum. The City shall take all reasonable steps to ensure that a back-up officer is assigned whenever possible for replacement duty, acknowledging that a series of replacements is disruptive to the school environment and challenging to the relationships necessary for effective SRO intervention. Substitutions will not result in an additional cost to the District, except as may otherwise be provided by this Agreement.
- C) The District shall reimburse the City for a percentage of the financial obligation for the SROs' salaries and benefits, including overtime pay directly arising from the District's activities, as may be increased by the City from time to time. The SROs' salaries cost, benefits cost, and District-related overtime cost shall be deemed the "Total SRO Cost". The District shall pay the City an amount equal to seventy-five percent (75%) of the Total SRO Cost for each SRO that the City assigns to the District under this Agreement on an annual basis. The City shall keep the District reasonably informed as to any changes in its approved collective bargaining agreement to allow the District to plan for any increased expenses.
- 1) The SROs' salaries shall be consistent with the total compensation and benefit package of other City police officers of a similar rank, considering all relevant factors, as set forth in the then-current labor agreement between the City and its police collective bargaining unit. The District agrees that it shall budget and appropriate adequate funds to cover such expenses, and ~~in the event that~~ if it determines to not budget and appropriate for this purpose, it shall notify the City not less than ninety (90) days prior to the start of the school year.
  - 2) In the event that an SRO is injured in the course and scope of his employment, the District shall continue to pay the Total SRO Cost for said SRO if the City provides a replacement officer who is, to the extent possible, of like or similar rank and experience to resume the injured officer's duties. If the cost of the replacement officer is greater than that of the assigned SRO, the District shall pay such greater cost.

- 3) ~~Additionally, the District shall pay a pro rata share of the DeKalb Police Department's acquisition of two (2) additional Police vehicles, with the standard Police package including, but not limited to, light bars and a variety of electronic equipment, similar to, but not greater, in cost than the package in other patrol vehicles (the "SRO Vehicle Cost"). Because such vehicles will be available over a 24-hour period throughout the year, the District's one-time upfront cost shall be equal to 25% of the SRO Vehicle Cost. In the event that the Parties agree to a reduction in SROs under this Agreement, the City will consider a pro rata reimbursement of the District's payment of the SRO Vehicle Cost. The District's obligation under this Section shall only apply in the first year of the Agreement and shall in no event exceed \$50,000.~~
- 4) The City shall invoice the District for the sums due hereunder in two (2) equal installments, one (1) at the end of each school semester in that year's billing cycle. Invoices shall be itemized, and the District shall receive any requested backup documentation including, but not limited to, payroll data, upon request. The District shall reimburse the City within the period required under the *Local Government Prompt Payment Act*.

#### D) Mutual Indemnification and Insurance.

- 1) The District shall defend, indemnify, and hold the City and its officers, agents, and employees ("City Indemnitees") harmless from any and all liabilities, losses, costs, demands, damages, actions, or causes of action, including reasonable attorney's fees, arising out of, related to, or proximately caused by any and all negligent or intentional acts or omissions of the District and its officers, agents, and employees arising out of, or related to, this Agreement; provided, however, that the Parties shall be entitled to any defenses or immunities provided by law including, but not limited to, the *Local Governmental and Governmental Employees Tort Immunity Act*, 745 ILCS 10/1, et seq., notwithstanding the contract basis of liability under this Agreement. The obligation to defend and indemnify hereunder also extends to any claims, causes of action, suits, demands or proceedings, whether in law or in equity, to determine the liability of the SROs or the District. In fulfilling the District's obligations to defend and indemnify the City, the District shall, with the approval of the City, employ competent and skilled legal counsel, reasonably acceptable to the City Attorney, in defending any such claim. If the District fails or refuses to employ legal counsel as contemplated hereunder, the City shall, after providing the District with reasonable notice, be permitted to retain legal counsel, and all reasonable costs incurred by the City in doing so shall be paid by the District. Nothing in this Agreement shall be construed to prohibit the District from purchasing liability insurance which shall satisfy the requirements of this paragraph, pursuant to 105 ILCS 5/10-22.3.
- 2) The City shall indemnify, defend, and hold the District, its individual Board members, agents, and employees ("District Indemnitees") harmless from any

and all liabilities, losses, costs, demands, damages, actions, or causes of action, including reasonable attorneys' fees, arising out of, related to, or proximately caused by any and all negligent or intentional acts or omissions by the City Indemnitees arising out of, or related to, this Agreement; provided, however, that the Parties shall be entitled to any defenses or immunities provided by law including, but not limited to, the *Local Governmental and Governmental Employees Tort Immunity Act*, 745 ILCS 10/1, *et seq.*, notwithstanding the contract basis of liability under this Agreement. The obligation to defend and indemnify hereunder also extends to any claims, causes of action, suits, demands or proceedings, whether in law or in equity, to determine the liability of the SROs or the City. In fulfilling the City's obligations to defend and indemnify the District, the City shall, with the approval of the District, employ competent and skilled legal counsel, reasonably acceptable to the District's Attorney, in defending any such claim. If the City fails or refuses to employ legal counsel as contemplated hereunder, the District shall, after providing the City with reasonable notice, be permitted to retain legal counsel and all reasonable costs incurred by the District in doing so shall be paid by the City. Nothing in this Agreement shall be construed to prohibit the City from purchasing liability insurance in form and content acceptable to it.

3) Each Party shall ~~keep in force at all times~~ always keep in force during the term of this Agreement, Commercial General Liability Insurance, on an occurrence basis, with limits of not less than \$3,000,000 per occurrence and in the aggregate. Within seven (7) days of the last Party's execution of this Agreement, each Party shall furnish to the other a certificate of ~~the~~ insurance evidencing the insurance required under this Agreement. Each party may satisfy the insurance obligations under this Paragraph by utilizing excess or umbrella insurance. For purposes of this Paragraph, insurance may be provided through a self-insured intergovernmental risk pool or agency. Each Party shall name the other Party's Indemnitees (as defined in Paragraph 3(E)) as additional insureds on all insurance required hereunder. To the fullest extent permitted by each insurance policy and without invalidating any coverage thereunder, the Parties waive any right of subrogation that they or any of their agents may have against any of the other Party's Indemnitees.

4) The Parties' duties under this section shall survive the termination of this Agreement.

E) The City Manager and Superintendent are authorized to enter into additional sub-agreements from time to time regarding the assignment and duties of the SROs, pursuant to the terms of this Agreement.

#### **4. Reciprocal Reporting Obligations**

- A) Pursuant to 105 ILCS 5/10-20.14(b), the District's parent-teacher advisory committee, in cooperation with local law enforcement agencies, shall develop, with the District's School Board, policy guidelines and procedures to establish and maintain a reciprocal reporting system between the District and local law enforcement agencies regarding criminal offenses committed by students.
- B) Pursuant to 105 ILCS 5/22-20, all courts and law enforcement agencies of the State of Illinois and its political subdivisions shall report to the Principal of any school in the District whenever a child enrolled therein is detained for proceedings under the Juvenile Court Act of 1987, as amended, or for any criminal offense or any violation of a municipal ordinance. The report shall include the basis for detaining the child, circumstances surrounding the events which led to the child's detention, and the status of proceedings. The report shall be updated as appropriate to notify the principal of developments and the disposition of the matter. The reported information shall be kept separate from and shall not become a part of the official school record of such child and shall not be a public record. The reported information shall be used solely by the appropriate school official(s) who(m) the school has determined to have a legitimate educational or safety interest to aid in the proper rehabilitation of the child and to protect the safety of the students and employees in the school.
- C) Pursuant to 705 ILCS 405/1-7 A(8), local law enforcement agencies may transmit certain records to an appropriate District official pursuant to this Agreement, regarding any minor enrolled in a school in the District who has been arrested or taken into custody only if the agency or officer believes there is an imminent threat of physical harm to students, school personnel, or others who are present in the school or on school grounds, for any of the following offenses:
- 1) any violation of Article 24 of the Criminal Code;
  - 2) a violation of the Illinois Controlled Substances Act;
  - 3) a violation of the Cannabis Control Act;
  - 4) a forcible felony as defined in Section 2-8 of the Criminal Code;
  - 5) a violation of the Methamphetamine Control and Community Protection Act;
  - 6) a violation of §1-2 of the Harassing and Obscene Communications Act;
  - 7) a violation of the Hazing Act;
  - 8) a violation of §§12-1 (Assault); 12-2 (Aggravated Assault); 12-3 (Battery); 12-3.05 (Aggravated battery); 12-3.1(Battery of an unborn child; aggravated battery of an unborn child); 12-3.2 (Domestic battery); 12-3.4 (Violation of an order of protection); 12-3.5 (Interfering with the reporting of domestic violence);

12-5 (Reckless Conduct); 12-7.3 (Stalking); 12-7.4 (Aggravated stalking); 12-7.5 (Cyberstalking); 25-1 (Mob action); or 25-5 (Unlawful contact with street gang members) of the Criminal Code; or

- 9) a similar violation of the then-current Criminal Code of the State of Illinois, as amended.
- D) The Parties agree, to the extent allowable by law, to share any relevant lawful information regarding any student enrolled in the District, and who has been arrested or taken into custody for a violation of any criminal laws of the State of Illinois. The law enforcement agency that made the arrest shall be primarily responsible for supplying the ~~aforementioned reports~~ reports and information regarding a student's arrest. Any law enforcement information or records subject to disclosure under this Agreement shall not be disclosed or made available in any form to any person or agency other than as set forth in this Agreement or as authorized by law.
- E) The Parties shall each name a designee for purposes of carrying out the responsibilities assigned under this Agreement. The designees for each of the Parties, or so many of them that may agree, shall meet as needed for the purposes of carrying out the responsibilities under this Agreement, including the sharing of any relevant and lawful information regarding students.
- F) The Parties shall each utilize their best efforts to provide the information to be reported under this Agreement but, in no event, shall either party be liable for the failure to provide such information, whether through inadvertence or otherwise. Any records that are permissible to disclose to any SRO may be further disclosed to any other police officer or law enforcement personnel for official investigative or prosecutorial purposes, subject to applicable law.
- G) In accordance with the *Illinois School Student Records Act* (ISSRA) and the regulations implementing the federal *Family Educational Rights and Privacy Act* (34 C.F.R. 99) (FERPA), any and all information constituting student records or education records under those laws that is received by the City as a result of this Agreement shall be kept confidential by the City and shall not be disclosed by the City to another party, except as provided under State and Federal law, without the prior written consent of the parent of the student (or consent of the student if s/he has assumed rights under the law). This representation shall be deemed to constitute the written certification by the City, as required by ISSRA and FERPA, to acknowledge and agree to the City's ongoing compliance with the confidentiality requirements related to receipt of student record information pursuant to this Agreement.

## 5. Security Camera Access

- A) The Parties acknowledge that the District maintains a comprehensive set of security cameras used to monitor and maintain the security and integrity of District property. The Parties further agree that, in the event of a public safety emergency involving the District property, providing access to the 'live' viewing of the security camera footage to the City and its first responders could dramatically increase public safety and the efficacy of public safety responses to said emergency.
- B) Accordingly, the Parties agree that the District shall utilize its best efforts to provide the City with access to its security cameras in an electronic format accessible to the City. The Superintendent and Chief of Police (with the consent of the City Manager) shall be authorized to enter into a separate agreement providing the mechanism, terms, and conditions of such access. Under no circumstances shall the access agreement or the availability of the security camera feed to the City be interpreted to create an obligation of the City to monitor such security cameras, it being acknowledged by the Parties that the City lacks the resources to actively ~~monitor the security cameras at all times~~ always monitor the security cameras. At the time of undertaking a separate agreement, the Parties shall determine appropriate use restrictions for such system to enhance the safety of the District's facilities without engaging in unnecessary monitoring or review. Such use restrictions shall include the following: (1) City shall be prohibited from utilizing such "live" access or accessing any "live" footage in any way other than in response to a valid emergency call pertaining to a school, and only where such access is necessary to protect the health or safety of a student or other individuals; (2) District shall provide City's Police Department access to inspect and copy the non-live video footage for police purposes upon City's reasonable request; (3) City shall provide training to all applicable staff concerning the confidentiality of the security camera footage and the narrow circumstances in which such access is authorized and shall strictly prohibit staff from accessing such footage for any unauthorized use; (4) City shall be prohibited from copying any footage accessed hereunder, except as may be necessary to preserve evidence for police purposes or as may otherwise be provided by this Agreement; (5) City shall not further disclose the contents of "live" footage to any other party who is not a law enforcement agency; (6) City shall maintain reasonable security procedures that prevent any inadvertent disclosures of "live" footage; (7) Any testing of "live" access to such footage shall occur at times when no students are present; and (8) City shall notify the District immediately of any unauthorized or inadvertent use or disclosure of the "live" footage.

## 6. General Provisions

- A) Term and Termination: This Agreement shall have a term of ~~three-five~~ (35) years from the Effective Date. Notwithstanding the foregoing to the contrary, this Agreement may be terminated by either Party upon the provision of not less than ninety (90) calendar days written notice to the other Party; provided, however, that if the District fails to timely provide its notice of termination not less than 90 calendar days before August 1<sup>st</sup> of the applicable calendar year, then the District

shall be responsible for making full payment to the City of the Total SRO Cost for the applicable school year commencing after August 1<sup>st</sup> of the then applicable calendar year, even though the City shall have no obligation to assign SROs to the District under this Agreement following the effective date of the District's notice of termination. ~~Regardless of the timing of District's notice of termination, City shall consider the pro rata reimbursement of the SRO Vehicle Cost under this Agreement.~~ The Parties further agree that the time requirements under this section are essential and material to this Agreement.

- B) Designees: References to the City Manager, Chief of Police, or Superintendent shall be deemed to reflect such persons and/or the authorized designees thereof.
- C) Jurisdiction, Venue: Jurisdiction and venue for any dispute arising out of or relating to this Agreement shall be exclusively fixed in the Twenty-Third Judicial Circuit Court of DeKalb County, Illinois.
- D) Disclaimers:
  - 1) There are no intended or implied third-party beneficiaries of this Agreement.
  - 2) Nothing in this Agreement shall be intended, nor shall it be interpreted, to waive any and all statutory or common law privileges and/or immunities of either of the Parties. The Parties shall comply with all applicable laws, ordinances, rules, regulations, and codes in performing their respective obligations under this Agreement.
  - 3) Except as otherwise provided herein, this Agreement may be amended only by a duly approved written amendment by the City's corporate authorities and the District's School Board.
  - 4) If any provision, covenant, agreement or portion of this Agreement or its application to any person, entity or property is held invalid, such invalidity shall not affect the application or validity of any other provisions, covenants, agreements, and portions of this Agreement, and to that end, all provisions, covenants, agreements, and portions of the Agreement are declared to be severable. The Parties shall do all things necessary or appropriate to carry out the terms and provisions of this Agreement; to aid and assist each other in carrying out the terms and objectives of this Agreement and the intentions of the Parties as reflected by said terms, including the taking of such other actions as may be necessary to enable the Parties' compliance with the terms and provisions of this Agreement and as may be necessary to give effect to the terms and objectives of this Agreement.
  - 5) This Agreement sets forth all agreements, undertakings, and covenants between and among the Parties. This Agreement supersedes all prior agreements, negotiations, and understandings, written and oral, and is a full

integration of the entire agreement of the Parties. In the event of any conflict between two or more components of this Agreement providing standards, guidelines, or requirements for District to act upon in or around the Property, construction or related activities for the Property, the more restrictive provision shall apply unless the City agrees otherwise.

- 6) This Agreement shall inure to the benefit of, and be binding upon the District and its successors, grantees, lessees, and assigns, and upon the City and its successors, grantors, lessees, and assigns; provided, however, that no Party shall assign this Agreement without the prior written consent of the other Party, as evidenced in a written sub-agreement executed by the City Manager and District Superintendent, which shall not be unreasonably withheld.
