Upon the revocation, termination or expiration (by the Owner's non-renewal) of a Tobacco License or upon the change in location of such establishment, this grandfathering provision shall no longer be effective, and such store shall be required to obtain a Retail Tobacco Store License. A change in ownership alone shall not terminate the grandfathering provisions of this ordinance. Ownership shall be established, for purposes of this section 64.16, based upon the same principles as applicable to ownership of a licensed liquor establishment under Chapter 38 of the City Code.

2. Application shall be made to the City of DeKalb for a license under this Ordinance as follows:

(f) After satisfying all conditions precedent as outlined above, successfully completing a background check (utilizing the procedure utilized for liquor license applications) and then submitting a completed application:

- The City shall thereafter have a period of forty-five (45) days for staff review and evaluation of the application.
- Staff review shall include any recommendations regarding public safety concerns, appropriateness of siting and zoning, available parking, proximity to schools or other age-sensitive installations, noise generation, adequacy of site lighting, and any other relevant considerations.
- If any conditions are discovered during such review that constitute a violation of any applicable law, code, regulation or ordinance, the forty-five (45) day review period shall be tolled until such point as the premises is brought into compliance with applicable codes.
- Following staff review, the matter shall be forwarded to the City Council of the City of DeKalb at a meeting occurring within forty-five (45) days of the date on which staff review is completed.

- The City Council shall be provided with all staff recommendations and shall make the ultimate decision as to whether a license should be granted or denied.
 - A license application may be continued from time to time, and the City Council may require the conduct of a public hearing on the application; any publication or notice costs for the public hearing shall be borne by the applicant.
3. No Retail Tobacco Store shall be permitted to apply for or maintain a Liquor License or to sell or dispense alcoholic beverages of any kind, nor shall a Retail Tobacco Store be permitted to apply for any required licensure or otherwise dispense medical marijuana or cannabis.

 5. No more than four (4) Retail Tobacco Store licenses shall be issued at any time.
 6. Submission of a signed application for a license and/or acceptance of a license under this ordinance constitutes the applicant's consent to an inspection of any and all portions of the licensed premises by the City:
 - (a) at any time during the normal business hours of the licensed premises, with or without advance notice; or
 - (b) at such other time as the City shall designate to the applicant/licensee in writing, with not less than 48 hours advance notice. Inspections pursuant to this consent may be conducted by any City personnel, including Police Department, Building, Public Works, or Fire Department staff, the City Attorney, the City Manager or other staff authorized by the City Manager, for purposes of determining compliance with the provisions of this ordinance, or for purposes of determining compliance with any other applicable code or regulation. The consent for inspection shall extend to any portion of the premises. An applicant or licensee's refusal to grant access to the premises for an inspection shall constitute grounds for denial of a pending application (without refund of any posted application fees) and shall constitute a violation of this ordinance for license holders, which may subject a licensee to suspension or revocation of their license, imposition of fines and penalties under this ordinance, or both. All holders of a license must also hold a valid Fire Life Safety License issued by the City.
 7. Issuance and Renewal of License: Upon conclusion of any consideration of a license application, the City Council may grant or deny the license application. If the license application is granted, the Applicant shall pay a license fee equivalent to that charged by the City of DeKalb for a Full-Service Restaurant and Bar combination liquor license. Retail Tobacco Store Licenses shall have the same term as a Tobacco License, and may be renewed without requirement of action by the City Council, upon submission of a renewal application and the renewal fee (equivalent to the then-current renewal fee for a Full-Service Restaurant and Bar combination liquor license). Retail Tobacco Store Licenses shall be treated in the same fashion as Liquor Licenses issued by the City with regard to termination upon change in ownership, transferability, and related issues.
 8. Applicants shall be required to comply with the provisions of City Code Section 38.06 for provision of insurance (other than dram shop insurance). Proof of insurance shall be required at time of application.

(a) Conditional Approval of License: The City Council may, but shall not be obligated to, approve retail tobacco store licenses for licensees who are otherwise eligible for issuance of a license, but whose place of business has not been built-out, has not received a Fire-Life Safety License, is not yet eligible for issuance of a final certificate of occupancy or is otherwise ineligible for operation because of non-compliance with any other City Code or requirement. Such conditional licenses shall not permit occupancy of the premises until such point in time as all required City permits and approvals have been received by the Licensee. At such time as all other required City permits and approvals, including but not limited to a certificate of occupancy and final inspection, have been provided, a conditionally issued license shall convert to an unconditional license, subject to the terms of this Chapter 64. Should a Licensee fail, within a time specified by the City Council, to obtain all required City permits and approvals including but not limited to a certificate of occupancy, the City Manager shall be authorized to revoke the conditional license without any requirement of holding a public hearing or providing any due process. Any applicant/Licensee who requests a conditional license under this subsection shall execute a waiver agreeing and acknowledging the terms of this subsection, including the provisions relating to revocation.

g) Suspension or Revocation.

1. The licenses issued under this Section may be suspended or revoked and/or the licensee fined by the City Manager or the City's Administrative Hearing Officer, after due process notice and hearing as provided for herein.
2. The licensee shall be given written notice that a due process hearing shall be held to determine if the licensee has violated any of the provisions as listed in this Section or any other City Code or Ordinance and whether the license is to be suspended or revoked and/or the licensee fined. Such notice shall be mailed to the licensee's last known address, or delivered in person, and shall state the following:
 - (a) Description of the grounds for the hearing;
