HUMAN SERVICES AGREEMENT
FAMILY SERVICE AGENCY OF DEKALB COUNTY

This agreement made this 1st day of July, 2015, between the City of DeKalb, a municipal corporation of the State of Illinois, hereinafter referred to as the “City” and Family Service Agency of DeKalb County, hereinafter referred to as “Grantee,” WITNESSETH:

WHEREAS, the City desires that Grantee provide certain services to the citizens of DeKalb and Grantee has the capacity to provide such services; and,

WHEREAS, the Grantee acknowledges that it is the City’s intention to purchase said services for the citizens of the City of DeKalb under the following guidelines:

1. First priority shall be given to those services which will help meet basic emergency needs such as food, clothing and shelter. Second priority shall be given to those services which are preventative in nature and promote the highest degree of self-support, self-care and self-help. Third priority shall be given to those services which seek to enhance the quality of life of persons whose basic needs are already met. Priority shall also be given to services which primarily benefit low and moderate income residents. The services provided by the Grantee are consistent with these guidelines as explained on the attached Exhibit A, Question No. 5.

2. Services shall address specific documented needs. The services provided by the Grantee address the specific, documented needs as explained on the attached Exhibit A, Question No. 6.

3. Services shall also receive financial support from other community sources. Grantee has attached hereto a copy of its budget for the period that this Agreement covers as Exhibit B, which budget establishes that the Grantee receives at least % of its funding from third party sources. A copy of Grantee’s audit or year end financial statement from the most recent complete year of operations is attached hereto as Exhibit C.

4. City funds are used only to support those services directly benefiting DeKalb residents, the City will not subsidize the cost of services to non-residents. Grantee has certified compliance with this requirement by signing the attached Exhibit A.

5. Administrative costs for these services are to be kept to a minimum. Grantee has identified the allocation between administrative costs and program costs as explained on the attached Exhibit A, Question No. 7.

6. These services must be coordinated with other agencies when feasible. Grantee has outlined how services are coordinated with other agencies as explained on the attached Exhibit A, Question No. 8.

7. The City will not fund, but may augment, services which are the responsibility of another public agency or funding source. Grantee has identified any areas where the City’s funds
are being utilized to augment third party responsibilities as explained on the attached Exhibit A, Question No.9.

8. City funds are to be used primarily to match or leverage other private or public funds. Grantee has explained how matching or leveraged funds are being sought or obtained as explained on the attached Exhibit A, Question No.10.

9. The City’s intent is to contract for specific services and monitor their effectiveness. Grantee has: a) identified the metrics by which its performance is to be evaluated on an annual basis; b) identified those third parties that provide any review or evaluation of Grantee’s efforts; and, c) explained its clearly defined performance evaluation process, as explained on the attached Exhibit A, Question No. 11.

10. Grantee has clearly identified and delineated where any elected or appointed official of the City or any City employee is involved in its programming or receives any direct or indirect benefit, any compensation or any pecuniary benefit of any form by virtue of Grantee’s program or the City funding provided hereunder, as explained on the attached Exhibit A, Question No. 12.

11. Grantee has outlined the process by which funds are held by Grantee as explained on the attached Exhibit A, Question No. 13, and all such funds are held by the Grantee in a Grantee-specific checking account with the financial institution identified therein (and not in any personal checking account), unless otherwise indicated therein.

WHEREAS, the parties hereto understand and agree that the Grantee is an independent contractor and not an employee of the City; now,

In consideration of the agreements set forth and other good and valuable considerations, the parties agree as follows:

5. **Access to Financial Records.** The Grantee agrees to allow the City access to review any and all of Grantee’s financial records as may be determined appropriate to insure the accountability of monies disbursed by the City. The Grantee expressly covenants that it shall not discriminate against any person or organization on the basis of any legally recognized protected classification, including but not limited to race, gender, religion, ethnic or cultural background, sexual preference, or other legally recognized, protected classification, in the provision of its services or use of funding provided hereunder.

8. **Use of Funds.** The Grantee shall only utilize funds made available under this agreement for the provision of services consistent with this agreement, and shall not use such funding for any other purpose, nor for the construction of any real property or improvement to real
property, nor for any purpose which constitutes "Public Works" for purposes of the Illinois Prevailing Wage Act.

9. **Grantee's Organization.** Grantee is organized in the format as described in Exhibit A. For the term of this Agreement, Grantee shall take such actions as shall be required to maintain that form of organization.
