HUMAN SERVICES AGREEMENT

NGUZO SABA MEN’S CLUB OF DEKALB

This agreement made this 1st day of July, 2015, between the City of DeKalb, a municipal corporation of the State of Illinois, hereinafter referred to as the “City” and Nguzo Zaba Men’s Club of DeKalb, hereinafter referred to as “Grantee,” WITNESSETH:

WHEREAS, the City desires that Grantee provide certain services to the citizens of DeKalb and Grantee has the capacity to provide such services; and,

WHEREAS, the Grantee acknowledges that it is the City’s intention to purchase said services for the citizens of the City of DeKalb under the following guidelines:

1. First priority shall be given to those services which will help meet basic emergency needs such as food, clothing and shelter. Second priority shall be given to those services which are preventative in nature and promote the highest degree of self-support, self-care and self-help. Third priority shall be given to those services which seek to enhance the quality of life of persons whose basic needs are already met. Priority shall also be given to services which primarily benefit low and moderate income residents. The services provided by the Grantee are consistent with these guidelines as explained on the attached Exhibit A, Question No. 5.

2. Services shall address specific documented needs. The services provided by the Grantee address the specific, documented needs as explained on the attached Exhibit A, Question No. 6.

3. Services shall also receive financial support from other community sources. Grantee has attached hereto a copy of its budget for the period that this Agreement covers as Exhibit B, which budget establishes that the Grantee receives at least 45% of its funding from third party sources. A copy of Grantee’s audit or year end financial statement from the most recent complete year of operations is attached hereto as Exhibit C.

4. City funds are used only to support those services directly benefiting DeKalb residents, the City will not subsidize the cost of services to non-residents. Grantee has certified compliance with this requirement by signing the attached Exhibit A.

5. Administrative costs for these services are to be kept to a minimum. Grantee has identified the allocation between administrative costs and program costs as explained on the attached Exhibit A, Question No. 7.

6. These services must be coordinated with other agencies when feasible. Grantee has outlined how services are coordinated with other agencies as explained on the attached Exhibit A, Question No. 8.

7. The City will not fund, but may augment, services which are the responsibility of another public agency or funding source. Grantee has identified any areas where the City’s funds
are being utilized to augment third party responsibilities as explained on the attached Exhibit A, Question No.9.

8. City funds are to be used primarily to match or leverage other private or public funds. Grantee has explained how matching or leveraged funds are being sought or obtained as explained on the attached Exhibit A, Question No. 10.

9. The City’s intent is to contract for specific services and monitor their effectiveness. Grantee has: a) identified the metrics by which its performance is to be evaluated on an annual basis; b) identified those third parties that provide any review or evaluation of Grantee’s efforts; and, c) explained its clearly defined performance evaluation process, as explained on the attached Exhibit A, Question No. 11.

10. Grantee has clearly identified and delineated where any elected or appointed official of the City or any City employee is involved in its programming or receives any direct or indirect benefit, any compensation or any pecuniary benefit of any form by virtue of Grantee’s program or the City funding provided hereunder, as explained on the attached Exhibit A, Question No. 12.

11. Grantee has outlined the process by which funds are held by Grantee as explained on the attached Exhibit A, Question No. 13, and all such funds are held by the Grantee in a Grantee-specific checking account with the financial institution identified therein (and not in any personal checking account), unless otherwise indicated therein.

WHEREAS, the parties hereto understand and agree that the Grantee is an independent contractor and not an employee of the City; now,

In consideration of the agreements set forth and other good and valuable considerations, the parties agree as follows:

3. Hold Harmless. The Grantee hereby agrees to indemnify, defend and hold the City and its officers, employees, contractors and representatives harmless from and against any and all such costs, expenses, damages, liabilities, losses and claims which may arise out of, or are related to the services provided by the Grantee under this agreement or which relate to this Agreement or the funding provided herein. The Grantee agrees and acknowledges that the City is not in any way responsible for the conduct or provision of Grantee’s programs or services, and is not responsible for the review, supervision or management of Grantee’s personnel, volunteers, participants, programming or services.

5. **Access to Financial Records.** The Grantee agrees to allow the City access to review any and all of Grantee’s financial records as may be determined appropriate to insure the accountability of monies disbursed by the City. - 2nd Quarter – January
- 3rd Quarter – March
- 4th Quarter – July

7. **Compliance with Laws.** The Grantee expressly covenants and agrees that it shall comply with all applicable laws, including those laws applicable to the use of public funding to the extent that such laws are applicable to programs funded in whole or in part by the City of DeKalb. The Grantee expressly covenants that it shall not discriminate against any person or organization on the basis of any legally recognized protected classification, including but not limited to race, gender, religion, ethnic or cultural background, sexual preference, or other legally recognized, protected classification, in the provision of its services or use of funding provided hereunder.

8. **Use of Funds.** The Grantee shall only utilize funds made available under this agreement for the provision of services consistent with this agreement, and shall not use such funding for any other purpose, nor for the construction of any real property or improvement to real
property, nor for any purpose which constitutes "Public Works" for purposes of the Illinois Prevailing Wage Act.

9. **Grantee’s Organization.** Grantee is organized in the format as described in Exhibit A. For the term of this Agreement, Grantee shall take such actions as shall be required to maintain that form of organization. Complete Description of Activities: The Men’s Club began this program approximately 25 years ago to keep the youth (specifically African American males) in the community from “just hanging out” during the summers’ late afternoon and evening hours. Basketball was used as the motivating factor to get the young people to attend the program and to attend on a regular basis. When the program first started members of the Men’s Club volunteered 5 hours a day and 5 days a week for 8 weeks while paying for rental space at a local elementary school. Basketball continues to be the motivating factor to get young people in the program but we now have rap sessions about various topics such as education, health, gangs, alcohol and drug abuse, judicial system, etc, we also have guest speakers to come in their particular area of expertise. This program is extremely important for parents that cannot afford summer activities for their children in DeKalb. An integral part of the program and our goal as African American males in the community is to provide positive role models and mentoring for all the young people in the program as well as entire community. The mentoring aspect of the program stresses positive values and constructive behavior. This program allows young people to interact with each other while developing fundamental skills and gaining an understanding of the importance of teamwork from a personal and group capacity. When the program first started it was for males only until 2006, that summer we began accepting females and I am proud to say that 40% of the 150 young people involved in the program are females. The program was first housed by Park District, later School District 428 took care of this issue and presently Northern Illinois University has been graciously housing the camp for approximately 8 years on campus.

The program begins in late June at Anderson Hall’s (on campus) gymnasiums in the northeast entrance and ends six weeks later in the first week of August. The camp meets Monday through Thursday every week from 5:00pm to 10:00pm. There is instructional basketball for grades 3rd through 8th from 5:00pm to 6:30pm and from 6:30pm to 7:30pm they play team basketball with coaches and referees. The high school participants begin their instructional basketball at 7:30pm to 9:00pm and 9:00pm to 10:00pm they play highly competitive games. Unfortunately again this year the staff did not publicize the program as much as we had done in the past because we could not hire enough staff to handle the potential 200-250 participants. After funding from the city’s grant was cut by a 1/3 in 2011 the camp has averaged approximately 175 participants.
