

Annie Glidden North Revitalization Plan

Task Force Member Role Description

The AGN Task Force will consist of community residents, apartment developers and managers, local business representatives, social service providers, educational leaders and public officials who are all stakeholders in the improvement of the Annie Glidden North neighborhoods. The role of a Task Force member is to:

1. Identify resources or provide information regarding conditions within the neighborhoods;
2. Assist in promoting larger Community Meetings to a broad range of community members;
3. Provide information about agencies, businesses, or other entities that could assist in neighborhood improvement;
4. Reflect concerns and issues from neighborhood and citywide residents, businesses and stakeholders;
5. Generate ideas and provide feedback with regard to the strategies and projects that merit consideration for inclusion in the AGN Revitalization Plan;
6. Review deliverables and provide initial comments and feedback before they go to the larger community; and
7. Help identify potential partners and guide post plan implementation.

Task Force members are expected to review materials provided to them during the course of the planning process and attend four to five meetings to discuss the issues raised in these materials by the planners and by other Task Force members in order to provide direction to Plan development.

Meetings of the Task Force are working meetings to address issues of planning implementation, data collection, and Plan development. Task Force proposals and directions are considered as guidance to the City and planning team in the development of the Plan. The final content of the Plan shall be as determined by the City Council. Major opportunities for wider public involvement will include four large Community Meetings as well as ongoing interactive elements electronic postings and communications including social media.
