RESOLUTION 2018-059           PASSED: MAY 14, 2018

AUTHORIZING A STANDARD AGREEMENT FOR CONSTRUCTION SERVICES AT ILLINOIS AIRPORTS FOR ARCHITECTURAL/ENGINEERING PLANNING AND SPECIAL SERVICES WITH HANSON PROFESSIONAL SERVICES, INC. FOR THE REHABILITATION OF THE ENTRANCE ROAD AND PARKING LOT PAVEMENT AT THE DEKALB TAYLOR MUNICIPAL AIRPORT IN AN AMOUNT NOT TO EXCEED $31,000.

WHEREAS, the City of DeKalb is a home rule unit as defined in Article VII, Section 6 (a) of the Illinois Constitution and has jurisdiction over matters pertaining to its government; and

WHEREAS, the City of DeKalb requests Council to authorize the Mayor to enter into a Standard Agreement for Construction Services at Illinois Airports for Architectural/Engineering Planning and Special Services with Hanson Professional Services, Inc. for airport construction engineering services at the DeKalb Taylor Municipal Airport in an amount not to exceed $31,000.

NOW THEREFORE, BE IT RESOLVED BY COUNCIL OF THE CITY OF DEKALB, ILLINOIS:

Section 1: That the City Council of the City of DeKalb hereby approves the Mayor to authorize a Standard Agreement for Construction Services at Illinois Airports for Architectural/Engineering Planning and Special Services in the form attached hereto, subject to such changes as are acceptable to the Mayor with the recommendations of City Staff in an amount not to exceed $31,000.

SECTION 2: That the City Clerk of the City of DeKalb, Illinois is authorized and directed to attest the Mayor's signature.

PASSED BY THE CITY COUNCIL of the City of DeKalb, Illinois at a Regular meeting thereof held on the 14th day of May, 2018, and approved by me as Mayor on the same day. Passed by an 8-0 roll call vote. Aye: Jacobson, Finucane, Marquardt, Fagan, Noreiko, Verbic, Faivre, Smith. Nay: none.

ATTEST:

RUTH A. SCOTT, Deputy City Clerk

JERRY SMITH, Mayor
STANDARD AGREEMENT FOR CONSULTANT SERVICES AT ILLINOIS AIRPORTS FOR ARCHITECTURAL/ENGINEERING (A/E), PLANNING AND SPECIAL SERVICES
Authorized for use by
The Illinois Department of Transportation
Division of Aeronautics
Effective: June 2012

☐ PRELIMINARY ASSESSMENT & SCHEMATIC DESIGN  ☐ CONSTRUCTION PHASE SERVICES

☐ DESIGN PHASE SERVICES  ☐ PLANNING AND SPECIAL SERVICES

THIS AGREEMENT, made effective at DeKalb, Illinois on the third day of March in the year 2017, by and between the City of DeKalb, Illinois, (hereinafter referred to as the "Sponsor"), and Hanson Professional Services Inc. (hereinafter referred to as the "Consultant"). This Agreement expires five years from the date of execution.

WITNESSETH:

The Sponsor intends to undertake the accomplishment of a project pursuant to the development of a public air navigation facility known as the DeKalb-Taylor Municipal Airport (DKB) in DeKalb County, state of Illinois; and the project shall be identified as the Illinois Project No. DKB-4533 (combined with DKB-4431), State Block Grant Project No. 3-17-SBGP - 111/120/133. The following is the detailed project title and description from the Illinois Department of Transportation's Office of Planning and Programming (OP&P) program letter which shall be carried through the development of the project (attach supplemental information as necessary in Section I. H., Detailed Scope of Services): Bituminous Overlay of the Airport Entrance Road.

A detailed sketch of the proposed work, labeled ATTACHMENT P, shall be attached.

In consideration of the benefits which will accrue to the parties hereto by virtue of the Agreement and the respective covenants herein contained, IT IS MUTUALLY COVENANTED AND AGREED as follows:

The Consultant agrees to furnish executed "Certification of Engineer" and certain professional engineering services enumerated herein-after, in connection with the implementation and development of the aforesaid project.

The Department of Transportation, Division of Aeronautics within the state of Illinois shall act as Agent of the Owner/Sponsor for all matters involving the development of any public air navigation facility by virtue of the Illinois Aeronautics Act. The Illinois Aeronautics Act requires and directs the Illinois Department of Transportation, Division of Aeronautics (hereinafter referred to as the "Department") to "regulate and supervise aeronautics within this state", with "aeronautics" defined as "...the design, establishment, construction, extension, operation, improvement, repair or maintenance of airports ...". The Department shall not expend any funds appropriated, or made available...for any work upon any such project that is not contracted for and constructed or developed under the supervision or direction of the Department. Financial assistance may include reimbursement to eligible airport Sponsors for...engineering costs directly related to projects financed in whole or in part by federal/state monies provided such engineering costs were approved by the Department prior to the payment of these costs by the airport Sponsor. The approval of engineering costs prior to payment shall qualify those costs for federal/state reimbursement but shall not constitute an obligation of federal/state funds.
Since the services contemplated under this Agreement are professional in nature, it is understood that the Consultant, acting as an individual, partnership, firm or other legal entity, is of professional status and will be governed by professional ethics in their relationship to the Department and the Sponsor. The Department acknowledges the professional and ethical status of the Consultant by approving this Agreement and the associated fees for federal/state eligibility (either in whole or part) on the basis of their qualifications and experience and determining their compensation by mutually satisfactory negotiations.

Any additions/deletions, revisions/modifications to this Agreement without the expressed written consent of the Department shall void this Agreement as it relates to state and federal funding participation eligibility.

I. ARCHITECTURAL/ENGINEERING (A/E), PLANNING AND SPECIAL SERVICES

The Consultant agrees to perform various professional engineering and planning services and provide necessary and required information pursuant to the accomplishment of the above referenced project.

It is understood that meetings will be common to all phases. The Consultant will coordinate project kick-off, pre-design and pre-construction meetings and project status update meetings, as required, in order to resolve project issues with the Department, Sponsor and/or other regulatory and review agencies. The Department shall be notified of scheduled agency meetings and given the opportunity to participate. Meetings for which effort will be billed shall be thoroughly documented by minutes with copies distributed to the Sponsor and the Department within 10 days of the meeting. Failure to properly document meeting discussions could result in the loss of part or all of the professional services compensation eligibility associated with this activity.

A. PRELIMINARY ASSESSMENT & SCHEMATIC DESIGN (NOT APPLICABLE)

This phase includes activities required for agency coordination and permit development, non-routine surveys, testing and architectural/engineering preliminary design considerations of a project. Elements of this phase may include development of architectural schematic building designs and reports, non-routine geological and field investigations (soil borings and pavement cores), DCP testing, FWD testing (when used to evaluate pavement as part of a strengthening project), coordination of FAA reimbursable agreements, coordination of utility relocation agreements, coordination of force account activity (must be pre-approved by the Department in writing).

The Consultant shall furnish and/or perform engineering reconnaissance necessary for the preparation and development of an engineering report, bidding documents (design plans and specifications) including topographic field surveys, crack surveys, and sampling and testing for routine soils investigations (in accordance with ATTACHMENT J - Testing Schedule & ATTACHMENT K - Testing Rates & Cost Summary).

This phase will culminate in the submittal of a detailed engineering report with project alternatives and design recommendations and project completion timeline assessment. The Consultant shall furnish an engineering report in accordance with standard practices and the provisions of ATTACHMENT E - Engineering Report. The report will include an analysis of preliminary surveys, geo-technical testing and alternative designs and include final project design recommendations.

The project completion timeline assessment will identify necessary effort required to complete the final project design (complete construction plans and specifications). This phase of project development will represent approximately 35% of the project design timeline. Project formulation should be consistent with the TIP submittal and the program letter project description (ATTACHMENT R). If not, identify components that have changed as a result of the preliminary assessment and schematic design analysis.
A detailed scope of services shall be attached with anticipated labor effort and costs delineated in ATTACHMENTS A / A1.

B. DESIGN PHASE SERVICES (NOT APPLICABLE)
This phase shall include activities required to accomplish a project design in accordance with the established Aeronautics letting schedule project design timeline and approved letting date determined at the pre-design meeting. Requests for time extensions beyond the previously agreed-to submittal deadline dates (as established in the Department's Letting Schedule, ATTACHMENT Q, and this Agreement) must be made to the Department in writing not less than 5 days prior to the due date of the submittal. The request for extension must be signed by a principal/officer of the Consultant's firm. Incomplete submittals will not be accepted. Milestone submittals include the engineering report (at 35% design timeline), plan / spec review (at 50% design timeline) and final submittal of all deliverables (at 100% design timeline). A detailed scope of services shall be attached with anticipated labor effort and costs delineated in ATTACHMENTS B / B1. Elements of this phase may include:

1. CONSTRUCTION PLANS, SPECIAL PROVISIONS AND ESTIMATES
   The Consultant shall prepare and furnish for Department review and comment construction plans, special provisions and Construction Safety Plan (per guidance explained in FAA AC 150/5370-2F (or current) Operational Safety on Airports during Construction) at the 80% project design timeline with detailed estimate of costs, estimated DBE participation goal and working/calendar day flow chart, for the particular design authorized in this Agreement.

2. CLARIFICATION OF PLANS
   The Consultant shall render clarification of the construction plans and specifications, when and if such clarification is deemed necessary.

3. BIDDING ASSISTANCE
   The Consultant shall assist the Sponsor and/or Department in the bidding process, analyze and summarize bid results.

C. CONSTRUCTION PHASE SERVICES
This phase shall include all basic services after the award. A detailed scope of services shall be attached with anticipated labor effort and costs delineated in ATTACHMENTS C / C1.

1. OFFICE ENGINEERING
   a. SHOP DRAWINGS
      Review the detailed construction, shop and erection drawings submitted by the contractor(s) for compliance with design concepts.

   b. SUPPLEMENTARY SKETCHES
      Preparation of elementary and supplementary sketches plus estimates required to resolve actual field conditions.
c. **RECORD DRAWINGS**

The Consultant shall prepare Record Drawings within thirty (30) days after the official Notification from the Department of the Official Acceptance of the Construction Work; and after approval by the Department, furnish said Department with one (1) set of such record drawings. The submittal format shall be in accordance with the current policies of the Department.

d. **MATERIALS CERTIFICATION**

Prior to reporting a pay item quantity for payment, the materials used and incorporated in, or associated with the pay item, shall be verified for specification compliance by the Consultant. The Consultant shall obtain and review all certifications and/or test results required by the policies of the Department and the Department's *Manual for Documentation of Airport Materials*. At the completion of, or any time prior to the completion of the final quantity of a pay item, the Consultant shall submit the aforementioned material certifications and/or test results, that were utilized for acceptance of material, to the Department for review and final approval. Prior to final payment of engineering services under this agreement, the Consultant shall have submitted required certifications and test results to the Department, and the Consultant shall have signed the Department's MATERIALS CERTIFICATION FORM.

2. **FIELD ENGINEERING**

a. **RESIDENT ENGINEER APPROVAL**

The Consultant agrees to furnish the name and qualifications of the Resident Engineer in writing for approval of the participating agencies prior to the preconstruction conference that shall attend said preconstruction conference and shall perform the various professional engineering services required of the Resident Engineer in 2.b. thru 2.f. below and inspection of construction.

b. **DAILY DIARY**

The Resident Engineer shall maintain a daily diary. Copies shall be forwarded to the Department (ATTACHMENT F).

c. **DUTIES OF RESIDENT ENGINEER**

Furnish full time (unless part time is approved by the Sponsor and/or Department - see Paragraph I. H.) Resident Engineering of construction including project inspection, field testing, and furnish surveying at the site of the work, whose duties shall include all reasonable, proper and customary duties as are usually and customarily furnished in connection with the general engineering of construction of such improvements, including but not limited to the following:

1. Performance of acceptance and quality assurance tests when required by Department policy and/or contract specification. Examples of these tests include but are not limited to: Testing concrete for slump and air content; testing concrete for strength; testing bituminous concrete pavement for density using the nuclear method and using the Bulk Specific Gravity Method. Obtaining representative samples of miscellaneous materials such as paint, geotextile fabric, joint sealer, epoxy, polyester resin, etc. for testing as necessary, and/or as directed by the Department; performance of field density tests of earthwork embankments, backfills and subgrade; field density tests of subbase and base courses, and moisture content tests on materials where applicable; and, laboratory proctor tests where applicable. Test Reports shall be submitted to the Department within three (3) working days of the date the test was conducted.
ii. Inspection/Measurement/Oversight of construction to determine that the work was completed in substantial conformance with the approved plans and specifications, and in compliance with the requirements set forth in the contract documents. All stop or start work orders shall be issued by the Department; the Resident Engineer shall recommend the orders. Document pay item quantities reported for pay in accordance with the latest revision of the Department's Airport Construction Documentation Manual.

iii. Preparation and forwarding to the Department of periodic project reports required by the Department. Bi-weekly construction reports will be submitted to the Department, within three (3) calendar days of the end of the contractor's work week.

iv. To obtain and review for specification compliance, material certifications and/or test results for all materials prior to their use in the construction.

v. To reject for inclusion in the project, any materials that are delivered without certification and/or test results, or materials delivered with certification that has been found to be in noncompliance, or any defect found through visual inspection which renders the material unsuitable for inclusion in the project. The Department shall be notified when any rejections are made. Materials that are delivered without certification and/or test results may be stockpiled or stored in a manner acceptable to the Resident Engineer until such time as the certification and/or test result arrive and are reviewed and accepted by the Resident Engineer.

vi. Preparation of Reports required per the Sponsor's NPDES permit while providing on-site services, retaining all support documentation.

vii. Participate in audits performed to determine that the project is proceeding accordingly per the plans and specifications and adhering to AIP grant requirements.

d. FINAL INSPECTION
Initiate a request, upon substantial completion of all construction work, for a final inspection by the Department. When necessary, a punch list of uncompleted items and electrical checklist (if applicable) on the project shall be established at the final inspection. Submit a final acceptance letter (punch list complete) which shall certify to the Department and the Sponsor that, to the best of the Consultant's knowledge, information and belief, the work involved has been done in substantial conformance with the plans, specifications, and Contract Document, as the same shall have been modified, or supplemented by change order, supplementary contract or otherwise, and that such work is acceptable.

e. SAFEGUARD THE SPONSOR
Endeavor to safeguard the Sponsor against any defects and deficiencies on the part of the Contractor. The Resident Engineer does not guarantee the performance of the contract by the Contractor, except that the Resident Engineer shall ensure that, to the best of the Resident Engineer's knowledge, information and belief, the work has been done in substantial conformance with the approved plans and specifications and advise the Sponsor and/or the Department in writing of any known noncompliance set forth in the contract. This does not in any way mean that the Resident Engineer is a guarantor of the Contractor's work.
The Resident Engineer assumes no responsibility for safety in, on or about the job site, nor shall the Resident Engineer have any responsibility for the safety or adequacy of any equipment, building component, scaffolding, forms or other work aids provided by the contractor; nor is the Resident Engineer responsible for the superintendence of the contractor's work or any acts of the contractor.

f. OTHER ENGINEERING SERVICES
Furnish other Engineering Services which may be required by the Sponsor, including surveys, sub-surface investigations, sampling, testing, and analysis of soils, offsite inspection of materials, laboratory testing, and inspection and control at central mixing plants. Where tests must be conducted by commercial laboratories, only those laboratories approved by the Department will be utilized. If any of these services are conducted by outside firms, the Resident Engineer shall submit copies of the executed contract for such services as specified in Section III. B., of this Agreement. The charges for such services shall be specified in the contract and will remain in effect until completion of the services and acceptance by the Consultant. Certified copies of the results of all tests required by the Department under this paragraph are to be mailed to the Department within five (5) calendar days after the tests are completed.

g. FINAL QUANTITIES
Final quantities associated with the accepted construction work shall be submitted to the Department within thirty (30) days after final acceptance of the construction work.

D. PLANNING AND SPECIAL SERVICES (NOT APPLICABLE)
This phase may involve activities or studies unrelated to or outside of the scope of basic design and construction phase engineering services routinely performed by the Consultant. Those activities may include master plan and airport layout plan development, environmental studies and assessments, PCI surveys, FWD testing (when used to evaluate pavement as part of a publication revision), first-order NGS monument surveys, boundary surveys, aeronautical surveys, photogrammetric surveys and topographic mapping, preparation of property ownership plats and easements, appraisal and land acquisition services, benefit / cost analysis studies, RSA determination studies, drainage studies and analyses, FEMA/FIRM map revisions and GIS updates. A detailed scope of services is prescribed in Paragraph I. H., with anticipated labor effort and costs delineated in ATTACHMENTS D / D1.

E. ENDORSMENT OF DOCUMENTS
The Consultant will endorse and seal all final draft reports, contract plans, maps, right of way plats, and special provisions for construction contract documents. Such endorsements must be made by a person, duly licensed or registered in the appropriate category by the Department of Financial and Professional Regulation of the state of Illinois, being employed by the Consultant and responsible for the portion of the services for which license registration is required. These sealed documents will serve as the record documents for the services covered by the terms of the Agreement.

F. DELIVERABLES
At a minimum, the Consultant shall provide the Department (copy Sponsor upon request) the following deliverables:

1. Final project estimate of costs complete w/ professional services fees and sponsor reimbursement estimates.
2. DBE participation goal and breakout of DBE work.
3. QA verification of ELM Engineers Estimate for Schedule of Prices.
4. Calendar day estimate of construction and detailed breakout of critical work items and associated production rates.
5. One set of final construction plans (half-size) and special provisions - sealed by the Consultant and executed by the Sponsor.
7. Original executed Consultant Project Certification (ATTACHMENT N).
8. Executed DBE Final Documentation (ATTACHMENT O).
9. Electronic copy/access of all information (via CD, electronic submittal or ftp site).

G. NOTICE-TO-PROCEED (NTP)
The Consultant shall not commence any phase of the work until the "official notice-to-proceed" (NTP) has been issued in writing either by the Sponsor or Department (via Office of Planning and Programming).

Services to be performed by the Consultant under this Agreement shall become eligible for funding participation consideration as of the date of the written NTP. The dated project program notification letter (i.e. Program Letter) from the Department's Office of Planning and Programming, indicating the project's inclusion in the state program and the estimated funding participation sources/levels, shall constitute the NTP. The Consultant shall schedule a project phase kick-off meeting (pre-design, pre-construction, etc.) with the Sponsor and the Department at the earliest possible convenience upon the Sponsor's receipt of this letter.

For projects not covered by a program letter or with program letter pending, the Sponsor may issue the written NTP with concurrence from the Department. In such cases, the Sponsor is fully liable for all costs incurred as a result of such authorization pending future reimbursement once the project is programmed and a program letter is issued. The Sponsor/Consultant is required to schedule a project phase kick-off meeting (pre-design, pre-construction, etc.) with the Sponsor and the Department at the earliest possible convenience.

A copy of the program letter shall be included as ATTACHMENT R of this Agreement.

In the absence of a written, dated notice-to-proceed, the execution date of this Agreement shall be used to determine the eligibility of service dates.

The Sponsor and the Department are not liable, and shall not authorize payment to the Consultant, for any services performed prior to the date of notice to proceed or the execution of this Agreement (whichever takes precedence). All effort, regardless of the notice-to-proceed authorization, is subject to review and eligibility funding determination.

H. DETAILED SCOPE OF SERVICES

PRELIMINARY ASSESSMENT & SCHEMATIC DESIGN
(Not Applicable)

DESIGN PHASE SERVICES
(Not Applicable)
CONSTRUCTION PHASE
Estimated Construction Cost: $668,459.50 *

* NOTE: This project has been combined with the companion DKB-4431, Rehabilitate Bituminous T-Hangar Pavements (Phase II), where the two projects are bid and constructed as one. Project DKB-4431 already has an established fee for Consultant Construction Phase services. So this agreement represents the fee to extend the construction to both projects.

The Consultant is to provide full-time, on-site services from the date of work start through final inspection and acceptance. The date of construction start is assumed to be 12 May 2017 and end is assumed to be 21 July 2017, according to The Department of Transportation, Division of Aeronautics’s 2017 Letting Schedule with Associated Dates, Attachment Q. Based upon the Opinion of Probable Construction Duration prepared by the Project Engineer and accepted by The Department of Transportation, Division of Aeronautics, the contractor work period for both projects includes 70 calendar days, with 39 working days. The companion DKB-4431 Construction fee already covers 36 calendar days, with 20 working days.

Therefore, this second Consultant Construction Phase fee is to cover the remaining 34 calendar days and 19 working days: In covering these 19 working days, the Consultant’s on-site staff (Resident Engineer) is to be on-site during 20 site days, including (one) punch list day, and during unscheduled non-work days and partial work days, caused by weather and contractor re-scheduling, and the Pre-construction meeting and the Final Inspection. Further, after the Final Inspection, the Resident Engineer will complete all final project close-out procedures, including preparing Record Drawings, final project records and Materials Documentation, over a one (1) working day period. The Consultant’s Project Manager is to attend the Pre-construction Meeting and the Final Inspection Meeting. Project Manager effort in coordinating staff and reviewing progress is to be furnished under the companion DKB-4431 project. The Project Engineer will furnish shop drawing review (two (2) days) and plan interpretation and sketch preparation (one (1) hour a week for five (5) weeks). Materials testing will be performed by the Resident Engineer (field) during his on-site time, and the Consultant’s materials subconsultant will perform laboratory testing, as specified in the Standard Specifications and Special Provisions. As it is anticipated that the Contractor will make use of the Consultant’s design files, no field time for the Consultant’s Survey Crew is anticipated. Additional surveying for grade checks, cross-sections and related earthwork pay item quantities is not contemplated, as it is assumed that the contractor will agree to “Agreement(s) to Plan Quantity”.

PLANNING AND SPECIAL SERVICES
(Not Applicable)

II. CONSULTANT COMPENSATION

The Sponsor agrees to pay the Consultant as compensation for rendering the professional services hereinabove described and submitted using the standard Department invoice forms (ATTACHMENTS G & H). Burden and overhead rates entered into this Agreement shall be in effect for the length of the agreement and will not be adjusted, except as may be determined under an audit of costs by the Auditor General or the Department. The rates used in this Agreement shall be the latest audited or provisional approved rates by IDOT as of the date of execution of this Agreement (approval letter must be attached). Should the rate change in the time between the final approval notification of fees and the execution of this Agreement, hours will be adjusted accordingly so that there is no increase in the final approved not-to-exceed amount.
Any professional services effort performed beyond the not-to-exceed limits expressed below, and for which a future amendment will be sought, will be performed under all Agreement provisions as the original contracted work. The dollar value of such effort is not considered approved for payment until review and approval by the Department.

A. PRELIMINARY ASSESSMENT & SCHEMATIC DESIGN (NOT APPLICABLE)
For services outlined in Section I.A., Preliminary Assessment and Schematic Design, and further detailed in Section I. H., Detailed Scope of Services,

1. a lump sum payment of (Not Applicable) (representing approximately 35% of the total estimated professional services compensation for design phase services as determined from the TIP request). The fee shall be paid as a lump sum when the preliminary assessment and schematic design phase deliverables (outlined in Section I.A.) are approved and accepted by the Department.

B. DESIGN PHASE SERVICES (NOT APPLICABLE)
For services outlined in Section I. B., Design Phase Services, and further detailed in Section I. H., Detailed Scope of Services,

1. a cost plus a fixed payment of (Not Applicable), total amount not to exceed (Not Applicable), unless a major change or addition to the scope of services is required by the Department or extensions of time are necessary for completion of the project. All justification for amendments shall be documented with effort recorded separate from the hours approved under this Agreement. All amendment requests must be supported by justification per Section III. M., Amendments to the Agreement. The payment of this fee shall be made in monthly installments submitted by the Consultant and approved by the Department. The final charges shall be submitted after the Design Phase Services have been performed, approved and all deliverables accepted by the Department in accordance with the guidance outlined in Section I.F. This period of time expires 30 days after award of the construction contract. Any submittal after this time shall not be considered eligible for payment / reimbursement by the Department.

2. a lump sum payment of (Not Applicable), unless a major change or addition to the scope of work is required by the Department or extensions of time are necessary for completion of the project. All justification for amendments shall be documented with effort recorded separate from the hours approved under this Agreement. All amendment requests must be supported by justification per Section III. M., Amendments to the Agreement. The fee shall be paid as a lump sum when the design phase deliverables (outlined in Section I. F.) are approved and accepted by the Department.

C. CONSTRUCTION PHASE SERVICES
For services outlined in Section I. C., Construction Phase Services, and further detailed in Section I. H., Detailed Scope of Services,

1. a cost plus a fixed payment of $3,295.00, total amount not to exceed $28,335.00, unless a major change or addition to the scope of work is required by the Department or extensions of time are necessary for completion of the project. All justification for amendments shall be documented with effort recorded separate from the hours approved under this Agreement. All amendment requests must be supported by justification per Section III. M., Amendments to the Agreement.
The payment of this fee shall be made in monthly installments submitted to and approved by the Sponsor (and/or Department if applicable). The final charges shall be as soon as possible after official notification from the Consultant of the acceptance of the construction work. A time line will be submitted at each billing cycle after 50% which will indicate a projection of the completed engineering fee vs. the contractor's progress.

If more than one contract exists for the project, the monthly invoices submitted by the Consultant shall detail the amounts of work accomplished under each separate contract. The invoices shall also indicate the dates that the services were performed. If these services are furnished by the Consultant by obtaining such services outside the Consultant's organization, the Consultant shall be reimbursed at his actual cost for obtaining these services. However, the total payment to the Consultant shall be within the *not to exceed* amount as previously stated unless an amendment to this agreement is approved by the Sponsor (and/or Department if applicable).

D. PLANNING AND SPECIAL SERVICES (*NOT APPLICABLE*)
For services outlined in Section I. D., Planning and Special Services, and further detailed in Section I. H., Detailed Scope of Services,

1. a cost plus a fixed payment of *(Not Applicable)*, total amount not to exceed *(Not Applicable)*, unless a major change or addition to the scope of work is required by the Department or extensions of time are necessary for completion of the project. All justification for amendments shall be documented with effort recorded separate from the hours approved under this Agreement. All amendment requests must be supported by justification per Section III. M., Amendments to the Agreement. The payment of this fee shall be made in monthly installments submitted to and approved by the Sponsor. The final charges for the Special Services Phase shall be submitted within forty-five (45) days after official notification from the Consultant of the acceptance of the construction work or within 45 days after official notification from the Department of acceptance of other non-construction projects unless extended by the Department.

2. a lump sum payment of *(Not Applicable)*, unless a major change or addition to the scope of work is required by the Department or extensions of time are necessary for completion of the project. All justification for amendments shall be documented with effort recorded separate from the hours approved under this Agreement. All amendment requests must be supported by justification per Section III. M., Amendments to the Agreement. The fee shall be paid as a lump sum when the deliverables are approved and accepted by the Department.

III. SPECIAL CONDITIONS
The Consultant shall render the services in accordance with generally accepted Professional Standards.

A. TERMINATION
(Reference: 49 CFR Part 18.36(j)(2); FAA Order 5100.38)

The Sponsor, by written seven (7) day notice, may terminate this agreement in whole or in part at any time, because of the failure of the other party to fulfill his agreement obligations. Upon receipt of such notice, the Consultant shall: (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Sponsor all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have been accumulated by the Consultant in performing this agreement whether completed or in process.
1. If the termination is due to the failure of the Consultant to fulfill his agreement obligations, the Sponsor may take over the work and prosecute the same to completion by agreement or otherwise. In such case, the Consultant shall be liable to the Sponsor for any additional cost occasioned to the Sponsor thereby.

2. If, after notice of termination for failure to fulfill agreement obligations, it is determined that the Consultant had not so failed, the termination shall be deemed to have been effected for the convenience of the Sponsor.

3. It is hereby understood and agreed that should the agreement be terminated, the Consultant shall be entitled to and shall receive a fee based on the amount of work accomplished and approved by the Department up to the day of notification of termination. The fee shall be equal to the sum of the actual number of man-hours of each category of work applied at a negotiated hourly rate, plus any outside services approved by the participating agencies and accomplished prior to the notification. If terminated under Section III. HH., Breach of Contract Terms, the Consultant will not be entitled to profit on the work accomplished.

B. CHANGE IN CONSTRUCTION PLANS

It is hereby understood and agreed that if the construction plans are completed in accordance with criteria and/or decisions made by the Sponsor (and/or the Department if applicable), and approved by the Department, and said construction plans are substantially changed or revised, for any reason other than the fault of the Consultant in preparing same, then the Consultant shall be entitled to compensation for rendering the services necessary to complete the changes. The amount of this fee shall be negotiated between the Sponsor, Consultant and the Department, and approved by the Department, and an amendment to the agreement should be accomplished prior to authorizing the Consultant to proceed with the changes. The fee shall be due and payable when the revisions are approved by the Sponsor and the Department.

It is the Consultants responsibility to notify the Department as soon as possible when changes/revisions are identified that are beyond the scope of services contemplated under this Agreement.

C. HOLD HARMLESS

The Consultant shall be responsible to pay for all labor, material and equipment costs incurred and for any and all damages to property or persons to the proportionate extent arising out of the negligent performance of services under this agreement and shall indemnify and save harmless the Sponsor, (and/or the Department if applicable), their officers, agents and employees from all third party suits, claims, actions or damages of any nature whatsoever to the proportionate extent resulting there from. These indemnities shall not be limited by the listing of any insurance coverage. If any errors, negligent acts and/or omissions are made by the Consultant in any phase of the work under this agreement, the correction of which may require additional field or office work, the Consultant will be promptly notified and will be required to perform such additional services as may be necessary to correct these errors, negligent acts and/or omissions without undue delay and without additional cost to the Sponsor (and/or the Department if applicable). The Consultant shall be responsible for any damages incurred as a result of his errors, negligent acts and/or omissions and for any losses or cost to repair or remedy construction as a result of his errors, omission and/or negligent acts, to the extent such error, omission or negligent act breaches the Professional Standard of care. The Consultant shall not be responsible for any consequential damages of the Sponsor or the Department. Neither the Consultant, Sponsor, nor Department shall be obligated for the other parties' negligence or for the negligence of others.
D. DRAWING OWNERSHIP

It is further mutually agreed by the parties hereto that reproducible copies of the drawings, computer disks, tracings, construction plans, specifications and maps prepared or obtained under the terms of the contract shall be delivered to and become the property of the Sponsor and basic survey notes and sketches, charts, computations and other data shall be made available upon request of the Sponsor. If any information is used by the Sponsor or another Consultant such use or reuse by the Sponsor or others shall be at the sole risk and without liability or legal exposure to the Consultant.

E. CONTRACT FOR OUTSIDE SERVICES

If any of the services outlined in Section I. are furnished by the Consultant by obtaining such services outside the Consultant's organization, the Consultant shall provide an executed contract between the person(s) or firm and the Consultant outlining the services to be performed and the charges for the same. Two (2) copies of the executed contract shall be submitted to the participating agencies for approval prior to the services being performed; all covenants and Special Conditions shall be included and binding on all subcontracts.

F. FORMERLY NOTICE TO PROCEED (See Section I. G.)

G. SUBLET AGREEMENT

Each party binds himself, his partners, successors, executors, administrators and assigns, to the other part of this agreement and to the partners, successors, executors, administrators and assigns for such other party at all covenants of this Agreement.

Except as above, neither the Sponsor nor the Consultant shall assign, sublet or transfer his interest in this agreement without the written consent of the other party hereto.

H. AGREEMENT EXPIRES

This agreement expires upon final approval and acceptance of the completed project(s) by the Sponsor (and/or Department as applicable), and after all final engineering charges have been paid to the Consultant as of the date of project close-out or after five years from the date of execution, whichever comes first. Payment liability by the State is as outlined above (see Section I.G., Notice to Proceed and Section II., Consultant Compensation).

I. EQUAL EMPLOYMENT OPPORTUNITY

(Reference: 49 CFR Part 21; FAA AC 150/5100-15A or latest revision)

The Consultant agrees to conduct the services in compliance with all the requirements imposed by or pursuant to Title VI of the Civil Rights Act of 1964, Part 21 of the Regulations of the Secretary of Transportation, and Executive Order No. 11246, "Equal Employment Opportunity," as amended.

During the performance of this contract, the Consultant, for itself, its assigns and successors in interest (hereinafter referred to as the "Consultant") agrees as follows:

1. Compliance with Regulations. The Consultant shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (hereinafter, "DOT") Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination.** The Consultant, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subconsultants, including procurements of materials and leases of equipment. The Consultant shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment.** In all solicitations either by competitive bidding or negotiation made by the Consultant for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subconsultant or supplier shall be notified by the Consultant of the Consultant's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.

4. **Information and Reports.** The Consultant shall provide all information and reports required by the Regulations or directives issued pursuant thereto and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the sponsor or the Federal Aviation Administration (FAA) to be pertinent to ascertain compliance with such Regulations, orders, and instructions. Where any information required of a Consultant is in the exclusive possession of another who fails or refuses to furnish this information, the Consultant shall so certify to the sponsor or the FAA, as appropriate, and shall set forth what efforts it has made to obtain the information.

5. **Sanctions for Noncompliance.** In the event the Consultant's noncompliance with the nondiscrimination provisions of this contract, the sponsor shall impose such contract sanctions as may determine to be appropriate, including, but not limited to --

   a. withholding of payments to the Consultant under the contract until the Consultant complies, and/or

   b. cancellation, termination, or suspension of the contract, in whole or in part.

**Incorporation of Provisions.** The Consultant shall include the provisions of paragraphs 1 through 5 (above) in every subcontract, including procurement of materials and leases of equipment, unless exempt by the Regulations or directives issued pursuant thereto. The Consultant shall take such action with respect to any subcontract or procurement as the sponsor may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, however, that in the event an Consultant becomes involved in, or is threatened with, litigation with a subconsultant or supplier as a result of such direction, the Consultant may request the sponsor and/or Department to enter into such litigation to protect the interests of the sponsor and, in addition, the Consultant.

**DISADVANTAGED BUSINESS ENTERPRISE (DBE) ASSURANCES**

1. **Policy.** It is the policy of the Department of Transportation (DOT) that disadvantaged business enterprises as defined in 49 CFR Part 23 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this agreement. Consequently, the DBE requirements of 49 CFR Part 23 applies to this agreement.
2. **DBE Obligation.** The Consultant agrees to ensure that disadvantaged business enterprises as defined in 49 CFR Part 23 have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with Federal funds provided under this agreement. In this regard, all Consultants shall take all necessary and reasonable steps in accordance with 49 CFR Part 23 to ensure that disadvantaged business enterprises have the maximum opportunity to compete for and perform contracts. Consultants shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of DOT-assisted contracts.

**J. OPEN ACCESS TO DOCUMENTS**
(Reference: 49 CFR Part 18.36(i); FAA Order 5100.38)  
(Public Act 90-0572 Section 20-65; Public Act 87-991)

The Consultant shall maintain, for a minimum of 5 years after the completion of the contract, adequate books, records, and supporting documents to verify the amounts, recipients, and uses of all disbursements of funds passing in conjunction with the contract; the contract and all books, records, and supporting documents related to the contract shall be available for review and audit by the Auditor General; and the Consultant agrees to cooperate fully with any audit conducted by the Auditor General and to provide full access to all relevant materials. Failure to maintain the books, records, and supporting documents required by this Section shall establish a presumption in favor of the State for the recovery of any funds paid by the State under the contract for which adequate books, records, and supporting documentation are not available to support their purported disbursement.

**K. CERTIFICATION OF CAPACITY TO CONTRACT**
(Public Act 90-0572, Section 50-13)

It is unlawful for any person holding an elective office in this State, holding a seat in the General Assembly, or appointed to or employed in any of the offices of State government, or who is an officer or employee of the Illinois Building Authority or the Illinois Toll Highway Authority, or who is the wife, husband or minor child of any such person, to have or acquire any contract, or any direct pecuniary interest in any contract therein, whether for stationery, printing, paper or for any services, materials or supplies, which will be wholly or partially satisfied by the payment of funds appropriated by the General Assembly of the State of Illinois or in any contract of the Illinois Building Authority or the Illinois Toll Highway Authority. Payments made for a public aid recipient are not payments pursuant to a contract with the State within the meaning of this Section.

It is unlawful for any firm, partnership, association or corporation in which any such person is entitled to receive more than 7 1/2% of the total distributable income to have or acquire any such contract or direct pecuniary interest therein.

It is unlawful for any firm, partnership, association or corporation in which any such person together with his spouse or minor children is entitled to receive more than 15%, in the aggregate, of the total distributable income to have or acquire any such contract or direct pecuniary interest therein.

Nothing in this Section invalidates the provisions of any bond or other security here-to or hereafter offered for sale or sold by or for the State of Illinois.

This Section does not affect the validity of any contract made between the State and an officer or employee of the State or member of the General Assembly, his spouse, minor child or any combination of such persons, if that contract was in existence before his election or employment as such officer, member, or employee. Such a contract is void, however, if it cannot be completed within 6 months after such officer, member, or employee takes office, or is employed.
This Section does not apply to (1) a contract for personal services as a teacher or school administrator between a member of the General Assembly or his spouse, or a State officer or employee or his or her spouse, and any school district, public community, college district, the University of Illinois, Southern Illinois University or any institution under the control of the Board of Governors of State Colleges and Universities or under the control of the Board of Regents or (2) a contract for personal service of a wholly ministerial character including but not limited to services as a laborer, clerk, typist, stenographer, page, bookkeeper, receptionist or telephone switchboard operator, made by a spouse or minor child of an elective or appointive State officer or employee or of a member of the General Assembly or (3) payments made to a member of the General Assembly, a State officer or employee, his or her spouse or minor child acting as a foster parent, homemaker, advocate, or volunteer for or in behalf of a child or family served by the Department of Children and Family Services.

Any person convicted of a violation of this Section shall be guilty of a business offense and shall be fined not less than $1,000 nor more than $5,000.

The appropriate Certification of Capacity to Contract will be executed in Section III. X., of this agreement.

L. THE CONSULTANT SELECTION
(Reference: 49 CFR Part 18; FAA AC 5100-14D or latest revision)
(30 ILCS 535; IDOT-Aeronautics Administrative Bulletin: 2010-02)

The City of DeKalb, Illinois, hereby certifies that it has completed the prescribed qualifications based consultant selection procedures. The firm of Hanson Professional Services Inc. of Springfield, Illinois, with an office in Oak Brook, Illinois, has been selected to provide the engineering services required for the project on the twenty-fifth day of August, 2014.

M. AMENDMENTS TO THE AGREEMENT
All effort recorded to document a claim for additional compensation must be delineated separately from the original scope of services with personnel, classifications, dates worked, rates, hours and services thoroughly detailed and clearly identified.

The Department shall be notified of potential amendment requests at the earliest possible opportunity once it has been determined that any of the following three circumstances may exist. Any amendments to the Agreement which increases the fee or the time of performance must contain one of the following written determinations (with support documentation) depending upon the circumstances of the change.

1. The undersigned determine that the circumstances which necessitate this change were not reasonably foreseeable at the time the contract was signed.

2. The undersigned determine that the circumstances which necessitate this change were not within the contemplation of the contract as signed.
3. The undersigned determine that this change is in the best interest of the State and is authorized by law.

Date: ___________________________    Sign Name: ___________________________

Print Name: ___________________________    Title: ___________________________

Any professional services effort performed beyond the not-to-exceed limits expressed in Section II. Consultant Compensation, and for which a future amendment will be sought, will be performed under all Agreement provisions as the original contracted work. The dollar value of such effort is not considered approved for payment until review and approval by the Department.

N. CERTIFICATION OF CONSULTANT
(Public Act 90-0572 Section 50-5)

I hereby certify that I am the Senior Vice President and duly authorized representative of the firm Hanson Professional Services Inc., whose address is 1525 South Sixth Street, Springfield, Illinois 62703-2886, and that neither I nor the above firm I here represent has:

1. employed or retained for a commission, percentage, brokerage, contingent fee, or other consideration, any firm or person (other than a bona fide employee working solely for me or the above Consultant) to solicit or secure this Agreement,

2. agreed, as an express or implied condition for obtaining this contract, to employ or retain the services of any firm or person in connection with carrying out the Agreement, or

3. paid or agreed to pay to any firm, organization, or person (other than a bona fide employee working solely for me or the above Consultant) any fee, contribution, donation, or consideration of any kind for, or in connection with, procuring or carrying out the contract; except as here expressly stated (if any):

The firm certifies by execution:

1. it has not been convicted of bribery or attempting to bribe an officer or employee of the State of Illinois, nor has the firm made an admission of guilt of such conduct which is a matter of record, nor has an official, agent, or employee of the firm committed bribery or attempted bribery on behalf of the firm and pursuant to the direction or authorization of a responsible official of the firm, nor has the firm been barred from being awarded a contract or subcontract.

2. it has not been barred from contracting with a unit of state or local government as a result of a violation of the Criminal Code of 1961.
I acknowledge that this certification is to be furnished to the Federal Aviation Administration of the United States' Department of Transportation in connection with this contract involving participation of Airport Improvement Program (AIP) funds and is subject to applicable state and Federal laws, both criminal and civil.

Date: Third day of March, 2017

Senior Vice President

O. FEDERAL TAXPAYER IDENTIFICATION NUMBER
The following statement is made under penalty of perjury:

*The Firm's correct Federal Taxpayer Identification Number is 37-0844717. This firm is doing business as a (please check one):

- Individual
- Partnership
- Corporation

P. DISADVANTAGED BUSINESS ENTERPRISE (DBE) PARTICIPATION
(Reference: 49 CFR Part 26)

Contract Assurance (§26.13) - The Consultant or subconsultant shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Consultant shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. Failure by the Consultant to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy, as the recipient deems appropriate.

In keeping with the DBE plan adopted by the Sponsor, the Consultant shall take all necessary and reasonable steps to attain DBE participation in this contract.

The work for each subconsultant should be listed separately. If the subconsultant is being utilized to meet the project DBE goal, they must be prequalified in that category and certified as a DBE in that category. Please indicate that they are certified in that category. The certification list is available on the Department's website on the "Doing Business" menu under Small Business Enterprises and IL UCP directory [http://webapps.dot.illinois.gov/UCP/ExternalSearch](http://webapps.dot.illinois.gov/UCP/ExternalSearch). The percent of work is computed based on the individual subconsultant's work effort in each category.

- Firm Name: Wang Engineering, Inc.
- Subcontract Amount: $1,600.00

NOTE: All final payments requests shall contain completed ATTACHMENT O - DBE Final Documentation or the complete information on the Consultant's format.
Q. DISCRIMINATION
(Reference: 49 CFR Part 21; FAA AC 150/5100-15A or latest revision)
(Executive Order 11246 of September 24, 1965; 41 CFR Part 60)

The Consultant agrees not to commit unlawful discrimination in employment in Illinois and further agrees to take affirmative action to ensure that no unlawful discrimination is committed.

R. DUES/FEES TO CLUBS WHICH DISCRIMINATE
(775 ILCS 25/2 Source: P.A. 85 909)

The Consultant of the business entity certifies that it is not prohibited from selling goods or services to the State of Illinois because it pays dues or fees on behalf of its employees or agent or subsidizes or otherwise reimburses them for payment of their dues or fees to any club which unlawfully discriminates.

S. CONFLICT OF INTEREST
(Public Act 90-0572 Section 50-13)

The Consultant agrees to comply with the provision of the Illinois Public Act prohibiting conflict of interest and all the terms, conditions and provisions of those Sections apply to this contract and are made a part of this contract the same as though they were incorporated and included herein.

T. FELONY CONVICTION
(Public Act 90-5072 Section 50-10)

The Consultant certifies that if he/she or the business entity has been convicted of a felony, at least five years has passed since the completion of the sentence as of the contract date.

U. ILLINOIS HUMAN RIGHTS NUMBER
The Consultant must have an Illinois Department of Human Rights prequalification number, or have an application on file with the Illinois Department of Human Rights office at the State of Illinois Center, Suite 10-100, 100 West Randolph, Chicago, Illinois 60601 (refer to Department of Human Rights form).

V. EDUCATIONAL LOAN DEFAULT
(5 ILCS 385).

The Consultant certifies that, if this agreement is with an individual or individuals, that he/she is not in default on an educational loan.
W. DRUG FREE WORKPLACE
(30 ILCS 580).

If the Consultant has 25 or more employees, the following certification shall apply and, by signing this document, the Consultant certifies as follows:

The Consultant certifies that he will provide a drug free workplace in compliance with the Drug Free Workplace Act ('Act'). Specifically, Consultant certifies he will do the following:

(a) Publish a statement:
   (1) Notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, including cannabis, is prohibited in the Consultants workplace.
   (2) Specifying the actions that will be taken against employees for violations of such prohibition.
   (3) Notifying the employee that, as a condition of employment on this agreement, the employee will:
      (A) abide by the terms of the statement; and
      (B) notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.

(b) Establish a drug free awareness program to inform employees about:
   (1) the dangers of drug abuse in the workplace;
   (2) the Consultant policy of maintaining a drug free workplace;
   (3) any available drug counseling, rehabilitation, and employee assistance programs; and
   (4) the penalties that may be imposed upon employees for drug violations.

(c) Give a copy of the statement described above to each employee engaged in the performance of the contract and post the statement in a prominent place in the workplace.

(d) Notify the State within 10 days after receiving notice under part (a)(3)(B) above from an employee or otherwise receiving actual notice of such conviction.

(e) Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is so convicted, as required by §5 of the Act.

(f) Assist employees in selecting a course of action in the event drug counseling, treatment, and rehabilitation is required and indicate that a trained referral team is in place.

(g) Make a good faith effort to continue to maintain a drug free workplace through implementation of §3 of the Act.

If an individual, the Consultant further certifies that he will not engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the performance of the agreement.

X. CAPACITY TO CONTRACT
(Public Act 90-0572)

The Consultant certifies that the Corporation's certificate of Authority to do business in Illinois, is in good standing with the Secretary of State's Office.
CERTIFICATION OF CAPACITY TO CONTRACT

Public Act 90-0572 prohibits certain persons and entities from having or acquiring any contract with the State of Illinois and from having or acquiring any direct pecuniary interests in any contract with the State of Illinois, whether for materials, services, supplies, printing or stationery. This prohibition does not extend to certain contracts for personal services of a ministerial nature as provided for in the Act.

The undersigned, being a duly authorized officer and the duly elected Secretary of Hanson Professional Services Inc., a corporation, hereby certify that they have read Public Act 90-0572 Section 50-13 and that they have checked the records of the corporation and that no person who is entitled to receive individually more than 7 1/2% of the total distributable income of the corporation, or together with their spouse or minor child more than 15% of the total distributable income of the corporation, is (i) an elected State official, a member of the General Assembly, an appointed State officer, a State employee; (ii) an officer or employee of the Illinois Toll Highway Authority or of the Illinois Building Authority; or (iii) a spouse or a minor child of any such enumerated person.

Y. CERTIFICATION REGARDING LOBBYING
(Reference: 49 CFR Part 20, Appendix A)

Certification for Contracts, Grants, Loans and Cooperative Agreements.

The Consultant certifies compliance with Section 319 of Public Law 101-102 and to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an Officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement; and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, US Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Z. INTERNATIONAL BOYCOTT
(Applicable to contracts in excess of $10,000):

The Consultant certifies that neither it nor any substantially-owned affiliated company is participating or shall participate in an international boycott in violation of the provisions of the U.S. Export Administration Act of 1979 or the regulations of the U.S. Department of Commerce promulgated under that Act. The Consultant makes the certification set forth in Section 5 of the International Anti-Boycott Certification Act.

AA. NON-APPROPRIATION CLAUSE
Obligations of the State will cease immediately without penalty or further payment being required in any fiscal year the Illinois General Assembly fails to appropriate or otherwise make available sufficient funds for payment of this Agreement.

BB. DEBT CERTIFICATION
The Consultant certifies that it, or any affiliate, is not barred from being awarded a contract under 30 ILCS 500/50-11 and 50-12. The Consultant further acknowledges that the contracting State agency may declare the contract void if the preceding certification is false or if the contractor, or any affiliate, is determined to be delinquent in the payment of any debt to the State during the term of the contract.

CC. GOODS FROM CHILD LABOR ACT
The Consultant certifies in accordance with Public Act 94-0264 that no foreign made equipment, materials, or supplies furnished to the State under the contract have been produced in whole or in part by the labor of any child under the age of 12.

DD. QUALIFICATION BASED SELECTION ACT
(Reference: 49 CFR Part 18.36; FAA Order 5100.38; FAA AC 150/5100-14 (latest))

The parties hereby certify that there was compliance with the provisions of the State of Illinois' Architectural, Engineering and Land Surveying Qualifications Based Selection Act, Chapter 30 ILCS 535 in the procurement of the services covered by this Agreement.
EE. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION
(Reference: 49 CFR Part 29; FAA Order 5100.38)

The Consultant certifies, by submission of this proposal or acceptance of this contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. It further agrees by submitting this Agreement that it will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts, and subcontracts. Where the Consultant or any lower tier participant is unable to certify to this statement, it shall attach an explanation to this solicitation/proposal.

FF. RIGHTS TO INVENTIONS
(Reference: 49 CFR Part 18.36(i)(8); FAA Order 5100.38)

All rights to inventions and materials generated under this contract are subject to regulations issued by the FAA and the Sponsor of the Federal grant under which this contract is executed.

GG. TRADE RESTRICTION CLAUSE
(Reference: 49 CFR Part 30.13; FAA Order 5100.38)

The Consultant or subconsultant, by submission of an offer and/or execution of a contract, certifies that it:

1. is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);

2. has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;

3. has not procured any product nor subcontracted for the supply of any product for use on the project that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to a Consultant or subconsultant who is unable to certify to the above. If the Consultant knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the Federal Aviation Administration may direct through the Sponsor cancellation of the contract at no cost to the Government.

Further, the Consultant agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in each contract and in all lower tier subcontracts. The Consultant may rely on the certification of a prospective subconsultant unless it has knowledge that the certification is erroneous.

The Consultant shall provide immediate written notice to the sponsor if the Consultant learns that its certification or that of a subconsultant was erroneous when submitted or has become erroneous by reason of changed circumstances. The subconsultants agrees to provide written notice to the contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.
This certification is a material representation of fact upon which reliance was placed when making the award. If it is later determined that the Consultant or subconsultant knowingly rendered an erroneous certification, the Federal Aviation Administration may direct through the Sponsor cancellation of the contract or subcontract for default at no cost to the Government.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

II. BREACH OF CONTRACT TERMS
(Reference: 49 CFR Part 18.36)

Any violation or breach of terms of this contract on the part of the Consultant or their subconsultants may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this agreement. The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law.

II. BAN ON TEXTING WHILE DRIVING
(Reference: Executive Order 13513)

In accordance with Executive Order 13513, Federal Leadership on Reducing Text Messaging While Driving, October 1, 2009, and DOT Order 3902.10, Text Messaging While Driving, December 30, 2009, the Consultant or subconsultant is encouraged to:

1. Adopt and enforce workplace safety policies to decrease crashes caused by distracted drivers including policies to ban text messaging while driving when performing any work for, or on behalf of, the Federal government, including work relating to a grant or sub-grant.

2. Conduct workplace safety initiatives in a manner commensurate with the size of the business, such as:
   a. Establishment of new rules and programs or re-evaluation of existing programs to prohibit text messaging while driving; and
   b. Education, awareness, and other outreach to employees about the safety risks associated with texting while driving.

The Consultant or subconsultant must insert the substance of this clause on banning texting when driving in all contracts and subcontracts.
Policies and procedures for procurement of professional services are established in Federal Regulation Title 49 CFR Part 18, Uniform Administrative Requirements for Grants and Cooperative Agreements. The Airport and Airway Improvement Act (AAIA) of 1982, as amended, serves as the enabling legislation. The parties agree that these policies and procedures have been followed.

IN WITNESS WHEREOF, the parties hereto have affixed their hand and seals at DeKalb, Illinois, effective the third day of March, 2005.

NOTES FOR ATTACHMENTS A THROUGH D

1. A letter from IDOT with approval or provisional payroll burden / fringe and general / administrative expense rates must be attached (ATTACHMENT S) for verification of rates.

2. Current approved rates established by State of Illinois - Governors Travel Control Board.

3. Shall not be used in calculation of fixed payment amount.

4. CADD is incorporated into the approved overhead and burden rate.

5. Fixed Payment (Profit) = (14.5%) x [Direct Salary Costs + (OH&B) x (Direct Salary Costs) + Transportation + Materials & Supplies + Printing + Other Costs (excluding outside services)].
ATTACHMENT E
ENGINEERING REPORT (General Guidance)

The Engineering Report is to be prepared by the Consultant and submitted to the Sponsor and/or Department, if possible, prior to starting Plans and Specifications. The Report shall include, at a minimum, a discussion of the following elements which are applicable and any other elements deemed necessary by the Department:

1. Introduction, project overview and consistency with approved ALP, justification, scope, authorization, funding, required environmental actions and schedule.

2. Investigations and evaluations, including pavement history, PCI information, topographic survey data, soil sampling and testing, boring logs, CBR test results, subgrade stabilization considerations, and seasonal frost issues.

3. Pavement design considerations, including pavement types and/or alternates; any unusual design and reasons therefore, selection of design CBR value, traffic distribution, and reported pavement strength.

4. Rehabilitation, strengthening and/or overlay work shall be detailed as to the type of work required, including existing pavement conditions, material selection considerations, thickness design and economic analysis.

5. Construction features which vary from FAA criteria should be identified including the problem(s) facts, alternative solutions, and/or desired solution. Is the desired solution the most economical?

6. Items such as materials sources, soils, drainage, water for construction, cost of land vs. development, contractor resources, available finances, and stage development. The report should say how these factors affected the decisions made by the Consultant in the design.

7. Explanation of drainage design criteria including explanation of drainage districts data input and off-site drainage impact on design. Include drainage calculations and modeling.

8. Special considerations for local circumstances such as available material, equipment, contractors, and airport sponsored events.

9. Consultant's choice of options for the lighting design; similar explanation of choices made for the drainage, fencing, turfing and marking, including decisions regarding cover crop seeding.

10. Approach conditions which will result from proposed work and comparison with FAA criteria.

11. Analysis of potential RSA determination (if applicable).

12. Development of PCN for runway strengthening and rehabilitation projects.

13. Description of non-AIP work and quantity separation from AIP eligible items.

14. Identify work to be done by others such as utility companies and airports sponsor forces.

15. The Consultant's preliminary estimate of construction costs, fees and expenses shall be included.

16. A discussion of project safety concerns (per guidance explained in FAA AC 150/5370-2E (or current) Operational Safety on Airports during Construction) shall be included.

17. A discussion of project phasing / sequencing and estimate of construction calendar days shall be included.

PROJECT CERTIFICATION

Airport: __________________________ Letting Date: __________________________
     IL Project No.: __________________________ Federal Project No.: ______________
     Contract No: __________________________

Project Description: __________________________

Pursuant to Federal Aviation Regulations, Part 152, as amended, and as a condition to receiving any Federal and/or State financial assistance through a Grant Offer from the FAA and/or the State of Illinois - Department of Transportation for the proposed airport development project, it is hereby represented, to the best of our knowledge, information, and belief that:

1. The Consultant has been selected to provide the necessary professional services for the project described herein and identified in the Professional Services Request For Qualifications (RFQ).
   Selection Date (Required): __________________________ Copy of Retainer attached (ATTACHMENT U).
2. Project is clearly delineated on the currently approved Airport Layout Plan.
   Approval Date (Required): __________________________.
3. Project is environmentally cleared. [ ] CatEx [ ] EA [ ] EIS [ ] FONSI
   Approval Date (Required): __________________________.
4. All Corps/EPA permits and other regulatory agency reviews/approvals/mitigation have been satisfied and there are no known encumbrances to the completion of the project.
   [ ] Yes [ ] No.
5. Plans were prepared in accordance with FAA approved standards and advisory circulars; and, the specifications were prepared in accordance with the FAA approved Illinois Standard Specifications For Construction Of Airports, along with the Division of Aeronautics' most current Policy Memorandums and "Handout" Specifications, except as noted by attached Modification of Standards (MOS) which has been addressed and justified in the engineering report and submitted to and approved by the FAA and Engineer of Design. [ ] Yes [ ] No.
   Approval Date of MOS (If applicable): __________________________.
6. The design conforms to the approved programmed project scope. [ ] Yes [ ] No.
7. Provisions have been included for safety during construction (per guidance explained in FAA AC 150/5370-2F (or current) Operational Safety on Airports during Construction). [ ] Yes [ ] No.
8. The plans, special provisions and quantities have been thoroughly checked in accordance with best management practices by the Consultant for accuracy and consistency, and are in conformance with AC 150/5300-13 (latest edition). All contract deliverables referenced in Section I.F. DELIVERABLES have been submitted, received and determined acceptable. [ ] Yes [ ] No.

IDOT-Division of Aeronautics, Standard A/E Agreement 2012-01, Effective 30 June 2012
h:\16Jobs\16A00141\16A00141CtrConstruction Phase (Final) (11 April 2017).wpd
October 14, 2015

Mr. Tom Cleveland
Airport Manager
DeKalb Taylor Municipal Airport
3232 Pleasant Street
DeKalb, Illinois  60115

Mr. Cleveland,

For Fiscal Year 2016, the Illinois Department of Transportation's Proposed Airport Improvement Program includes projects at airports throughout the state to ensure continued safe and efficient operations at these facilities as well as maximizing opportunities for economic development in Illinois.

The following federally funded project(s) for your airport have been selected based on requests made to this office and are included in the Federal Fiscal Year (FFY) 2016 Proposed Airport Improvement Program. This program is based on federal funding levels established in federal legislation which provide for a minimum of $1 million in entitlement funds for primary airports as well as maximum of $150,000 entitlement funds for non-primary airports. The federal legislation calls for a maximum 90% federal match. As such, the state and local match will be 5% each for all projects which are eligible for state funding. All other federal projects will require a minimum 10% local match.

This program is dependent on receipt of FFY 2016 federal grant funds and legislative authorization of state funding appropriations and release of funds by the Governor's office.

The Illinois Department of Transportation and the Airport Sponsor agree to participate in the above defined amounts in accordance with the percentages shown. In addition, the Airport Sponsor shall pay such additional project costs, which exceed the sum of the Department's funds and the Federal funds. In the event the Illinois General Assembly fails to appropriate funds or sufficient funds are otherwise not made available for these Projects, the Airport Sponsor will be required to pay the State and local costs as itemized below, including any amounts which exceed the totals listed.

The FFY 2016 Proposed Airport Improvement Program contains the following federal projects for your airport:

The Division of Aeronautics maintains a letting schedule for construction projects that needs to be strictly followed to ensure that projects are advertised and brought to letting in an organized manner within the fiscal year in which they are programmed. The letting schedule allows for 30 weeks to develop a project from the date of the pre-design meeting to the letting.

To ensure that professional services effort is eligible for state and federal funding participation, you are required to enter into a professional services agreement with the consultant of record selected for the programmed project(s) prior to any professional services costs being incurred. This should take place as soon as possible, but definitely prior to the project initiation/pre-design meeting. The Division of Aeronautics will assist in guiding you through that process and the initial development and review of fees.

The projects contained in this letter are officially programmed for development. This letter herewith constitutes the official “Notice to Proceed” for these projects. It is now the airport sponsor’s responsibility to initiate the professional services phase of the project for your specific project type (planning development, equipment procurement, T-Hangar development, land acquisition or design plans and specifications development). This is accomplished by contacting the Division of Aeronautics, either directly or through your consultant, to schedule a project initiation meeting. Where construction projects are programmed, you should contact the Division of Aeronautics’ design engineer for your airport to initiate a pre-design meeting.
Mr. Tom Cleveland  
October 14, 2015  
Page Three

Your Aeronautics Design Engineer is Hank Priester, P.E. and he may be reached at 217-557-9113 to initiate this project. Please initiate your project within one year of the date on this letter. If you have any questions concerning this letter, please contact BJ Murray at 217-782-4118.

Sincerely,

Jeffrey M. South, P. E.  
Interim Director,  
Office of Planning and Programming

CURRENT IDOT PROVISIONAL PAYROLL BURDEN / FRINGE EXPENSE AND GENERAL / ADMINISTRATIVE EXPENSE RATE LETTER

Illinois Department of Transportation
2300 South Dirksen Parkway / Springfield, Illinois / 62764

September 29, 2016

Subject: PRELIMINARY ENGINEERING
Consultant Unit
Prequalification File

Jeffery Ball
HANSON PROFESSIONAL SERVICES INC.
1525 S. Sixth St.
Springfield, IL 62703

Dear Jeffery Ball,

We have completed our review of your "Statement of Experience and Financial Condition" (SEFC) which you submitted for the fiscal year ending Dec 31, 2015. Your firm's total annual transportation fee capacity will be $84,460,000.

Your firm's payroll burden and fringe expense rate and general and administrative expense rate totaling 167.94% are approved on a provisional basis. The rate used in agreement negotiations may be verified by our Office of Quality Compliance and Review in a pre-award audit.

Your firm is required to submit an amended SEFC through the Engineering Prequalification & Agreement System (EPAS) to this office to show any additions or deletions of your licensed professional staff or any other key personnel that would affect your firm's prequalification in a particular category. Changes must be submitted within 15 calendar days of the change and be submitted through the Engineering Prequalification and Agreement System (EPAS).

Your firm is prequalified until December 31, 2016. You will be given an additional six months from this date to submit the applicable portions of the "Statement of Experience and Financial Condition" (SEFC) to remain prequalified.

Sincerely,
Maureen M. Addis
Acting Bureau Chief
Bureau of Design & Environment

RETAINER AGREEMENT

(Attached)
AGREEMENT FOR CONSULTANT SERVICES  
(RETAINER AGREEMENT)

THIS AGREEMENT, made at DeKalb, Illinois, this 25th day of August, in the year 2014 by and between the City of DeKalb (sometimes hereinafter also referred to as the "Owner", or "Sponsor"), as Party of the First Part, and Hanson Professional Services Inc. (Hanson) (hereinafter referred to as the "Consultant"), as Party of the Second Part.

WITNESSETH:

WHEREAS, the Owner intends to sponsor the accomplishment of a development program, in stages, of a public air navigation facility known as DeKalb Taylor Municipal Airport (hereafter referred to as "Airport"), in DeKalb County, State of Illinois; and

WHEREAS, the Owner wishes to have the Engineer available to perform certain projects as described in the Owner's development program; and

WHEREAS, the development program shall be described as:

1. The Consultant will be called upon to provide Engineering Services to construct the concrete approach pavement to a corporate hangar;

WHEREAS, the Department of Transportation, Division of Aeronautics, State of Illinois is the authorized Agent of the Owner under the proposed development program (it shall be hereinafter referred to as the "Division");

WHEREAS, the Engineer agrees to furnish an executed "Certification of Engineer" and certain professional engineering services enumerated hereinafter, in connection with projects assigned to the Engineer by the Owner under the development program.

NOW, THEREFORE, for and in consideration of the mutual promises made by the parties hereto, IT IS MUTUALLY COVENANTED AND AGREED as follows:

I. ENGINEERING SERVICES

A. As an independent contractor, the Engineer agrees to furnish and perform various professional engineering services in accordance with the usual and customary standards for such services in the local area, applicable legal standards and State of Illinois Division of Aeronautics and Federal Aviation Agency requirements, upon request of the Owner and its principal representative, for the preparation of the above referenced projects. The parties mutually acknowledge that Owner may currently lack funding for some or any or all of the aforementioned tasks. Therefore this Agreement does not obligate the Owner to proceed with all of the aforementioned tasks described, and the Owner reserves the right to not utilize the Engineer for some or all of these tasks during the term of this Agreement.
B. When the Owner elects to proceed with a project, the parties hereto agree to negotiate in good faith and to execute an Agreement for Architectural, Engineering and Planning Services for Airports covering the specifically defined parts of the scope of work which are to be funded under a specific project. The Agreement(s) will cover the Preliminary Assessment & Schematic Design, Design, Construction, and Planning and Special Services Phases of the specific project. Should the Owner and Engineer not reach agreement on services and/or conditions within 30 calendar days, either party may, after written notice, terminate this Agreement, in whole or in part. No fees will be earned or payable until the agreement on services and/or conditions is finalized and approved by the Owner, except for any preparatory work such as surveys, investigations, etc. previously authorized by the Owner.

II. CHARGES FOR ENGINEERING SERVICES

A. The Owner agrees to pay the Engineer as compensation for rendering the professional engineering services herein above described in Section I, Paragraphs A and B, as agreed to between the parties.

B. For services of the Engineer provided at the request of the Owner that are not otherwise included as a part of a specific project Agreement, the Engineer will be compensated for its reasonable and customary charges based upon the attached Basis of Payment for Consulting Services, as revised by the Engineer from time-to-time, but only after prior written acceptance of the proposed charges by the Owner and only for those tasks performed, which are not made necessary due to the fault or error of the Engineer.

C. The Owner by a written thirty (30) day notice, may terminate this agreement in whole or in part at any time, because of the failure of the other party to fulfill his agreement obligations. Upon receipt of such notice, the Engineer shall: (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the Owner all data, drawings, specifications, reports, estimates, summaries and such other information and materials as may have accumulated by the Engineer in performing this agreement whether completed or in process. If, after notice of termination for failure to fulfill agreement obligations, it is determined that the Engineer had not so failed, the termination shall be deemed to have been effected for the convenience of the Owner.

III. SPECIAL CONDITIONS

A. The Owner acknowledges the Engineer's drawings and specifications, including all documents on electronic media, and basic survey notes and sketches, charts, computations and other data produced by the Engineer under this Agreement are instruments of the Engineer's professional service. Nevertheless, the information, drawings and specifications prepared under this Agreement shall become the property of the Owner upon completion of the services and payment in full of all monies due to the Engineer.

The Engineer may remove any information from any drawings, computer disks, tracings, construction plans, specifications, maps, survey notes and sketches, charts, computations and other data deemed to be proprietary, copyrighted or confidential in nature. The Owner will not make or permit to be made any modification to the drawings and specifications, as approved, without the prior written authorization of the Engineer. The Owner agrees to waive any claim against the Engineer arising from any unauthorized transfer, reuse or modification of the information, drawings and specifications.

B. The Engineer shall proceed to furnish engineering services on any part of the scope of work, after the request has been made in writing by the Owner.
C. Each party binds himself, his partners, successors, executors, administrators and assigns, to the other party of this Agreement and to the partners, successors, executors, administrators and assigns for such other party as to all covenants of this Agreement.

D. Unless otherwise terminated as provided herein, this agreement expires upon final approval and acceptance of the completed project(s) listed in the development program or within five (5) years of the execution of this agreement, whichever occurs first.

E. The Engineer agrees to conduct the services in compliance with all the requirements imposed by or pursuant to Title VI of the Civil Rights Act of 1964, Part 21 of the Regulations of the Secretary of Transportation, and Executive Order No. 11246, "Equal Employment Opportunity", as amended.

F. The Engineer agrees that the Owner, the Division, the Federal Aviation Administration, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the Engineer which are directly pertinent to the specific grant program for the purpose of making audit, examination, excerpts and transcriptions.

IV. SPECIAL PROVISIONS

A. If any of the services outlined in Section I are furnished by the Engineer by obtaining such services outside the Engineer's organization, the Engineer shall provide an executed contract between the person(s) or firm and the Engineer outlining the services to be performed and the charges for the same. Two (2) copies of the executed contract shall be submitted to the Owner for approval prior to the services being performed.

B. This agreement shall be construed and enforced in accordance with the laws of the State of Illinois and Owner and Engineer hereby consent to the jurisdiction of said State.

C. During the performance of this contract, the Engineer, for itself, its assignees and successors in interest agrees as follows:

1. The Engineer shall comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation (DOT) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this contract.

2. The Engineer, with regard to the work performed by it during the contract, shall not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurement of materials and leases of equipment. The Engineer shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

3. In all solicitations either by competitive bidding or negotiation made by the Engineer for work to be performed under a subcontract, including procurement of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the Engineer of the Engineer's obligations under this contract and the Regulations relative to nondiscrimination on the grounds of race, color, or national origin.
4. The Engineer shall provide all information and reports required by the Regulations or
directives issued pursuant thereto and shall permit access to its books, records
accounts, other sources of information, and its facilities as may be determined by the
Owner or the Federal Aviation Administration (FAA) to be pertinent to ascertain
compliance with such Regulations, orders, and instructions. Where any information
required of the Engineer is in the exclusive possession of another who fails or refuses to
furnish this information, the Engineer shall so certify to the Owner or the FAA, as
appropriate, and shall set forth what efforts it has made to obtain the information.

5. In the event of the Engineer's noncompliance with the nondiscrimination provisions of
this contract, the Owner shall impose such contract sanctions as it or the FAA may
determine to be appropriate, including, but not limited to:

a. Withholding of payments to the Engineer under the contract until the Engineer
complies, and/or,

b. Cancellation, termination, or suspension of the contract, in whole or in part.

6. The Engineer shall include the provisions of Paragraphs 1 through 5 in every
subcontract, including procurement of material and leases of equipment, unless exempt
by the Regulations or directives issued pursuant thereto. The Engineer shall take such
action with respect to any subcontract or procurement as the Owner or the FAA may
direct as a means of enforcing such provisions including sanctions for noncompliance.
Provided, however, that in the event the Engineer becomes involved in, or is threatened
with, litigation with a subcontractor or supplier as a result of such direction, the Engineer
may request the Owner to enter into such litigation to protect the interests of the Owner
and, in addition, the Engineer may request the United States to enter into such litigation
to protect the interests of the United States.

D. The Engineer agrees to ensure that minority business enterprises as defined in 49 CFR Part
23 have the maximum opportunity to participate in the performance of contracts and
subcontracts financed in whole or in part with Federal funds provided under this agreement.

E. Except as otherwise provided for under this Agreement regarding obligations from early
termination in Paragraph II. C., the Owner may terminate this agreement in whole or in part
for its sole convenience by furnishing written sixty (60) day notice of such termination to the
Engineer. If a contract for a specific project is terminated for convenience or if a default
termination of a specific project agreement is converted to a termination for convenience
under paragraph II.C., above, the Owner will be obligated to compensate the Engineer for all
work performed prior to the termination and a reasonable profit on that portion of the work
which was remaining to be completed but was not fully performed as of the date the
Engineer was informed of the Owner's decision to terminate, except profit paid to the
Engineer shall be limited to the standard percentage applied solely to the amount of work
that has been completed by the Engineer at the time of the stop work notice.

F. The parties hereby certify that there was compliance with the provisions of the State of
Illinois' Architectural, Engineering and Land Surveying Qualifications Based Selection Act,
Chapter 30 ILCS 535; and Federal guidance included in 49 CFR Part 18.36, FAA Order
5100.38, and FAA AC 150/5100-14 (current at time of selection), in the procurement of the
services covered by this Agreement.
BASIS OF PAYMENT
CONSULTING SERVICES

The following schedule is for normal design and consulting services provided on an hourly basis.

1. ENGINEER/ARCHITECT/SCIENTIST POSITIONS:

   ENGINEER/ARCHITECT/SCIENTIST I .............................................. $100.00
   ENGINEER/ARCHITECT/SCIENTIST II ........................................... $110.00
   ENGINEER/ARCHITECT/SCIENTIST III ......................................... $125.00
   ENGINEER/ARCHITECT/SCIENTIST IV .......................................... $135.00
   ENGINEER/ARCHITECT/SCIENTIST V .......................................... $149.00
   ENGINEER/ARCHITECT/SCIENTIST VI ......................................... $166.00
   ENGINEER/ARCHITECT/SCIENTIST VII ....................................... $188.00
   ENGINEER/ARCHITECT/SCIENTIST VIII .................................... $230.00
   PRINCIPAL ................................................................................ $298.00

2. TECHNICAL POSITIONS:

   AIDE ......................................................................................... $50.00
   TECHNICIAN I ......................................................................... $68.00
   TECHNICIAN II ......................................................................... $72.00
   TECHNICIAN III ....................................................................... $82.00
   TECHNICIAN IV ....................................................................... $93.00
   TECHNICIAN V ......................................................................... $103.00
   TECHNICIAN VI ....................................................................... $119.00
   TECHNICIAN VII ..................................................................... $126.00
   MANAGER/DESIGNER ................................................................ $143.00

3. ADMINISTRATIVE:

   ADMINISTRATIVE I ................................................................. $40.00
   ADMINISTRATIVE II ............................................................... $55.00
   ADMINISTRATIVE III .............................................................. $71.00
   ADMINISTRATIVE IV .............................................................. $93.00
   ADMINISTRATIVE V ............................................................... $113.00
   ADMINISTRATIVE VI .............................................................. $126.00
   ADMINISTRATIVE VII ............................................................. $168.00

4. Charges for special services, expert testimony, etc., will be negotiated.

5. The above rates cover straight time only. Overtime directed by the client will be surcharged by 25 percent.

6. Charges for outside consultants and contractors will be at invoice cost plus 10 percent.

7. All direct job expenses and materials other than normal office supplies will be charged at cost plus 10 percent.

8. Mileage charges for automobile = 56 cents per mile. Mileage charges for mobile lab or truck = 65 cents per mile.

   Charges for vehicles that will remain assigned to a specific job will be $60.00 per day or $825.00 per month for automobiles, and $65.00 per day or $975.00 per month for mobile labs or trucks, plus the cost of fuel in lieu of mileage charges.

9. Services will be billed monthly and at the completion of the project. There will be an additional charge of 1 1/2 percent per month compounded monthly on amounts outstanding more than 30 days.

10. Rates are subject to change and may be superseded by a new schedule on or about January 1, 2015.

14 Rev. 0
IN WITNESS WHEREOF, the parties hereto have affixed their hand and seals at DeKalb, Illinois, this 22 day of September, 2014.

Attention: Mr. Tom Cleveland
Airport Manager

Subject: Rehabilitate T-Hangar Pavements, Airport Entrance Road and Auto Parking Lot
DeKalb Taylor Municipal Airport (DKB)
IDA Project No.: DKB-4533 (Combined with DKB-4431)
SBG Project Nos.: 3-17-SBGP-111,-120,-133
Contract No.: DK058

Reference: Construction Services Agreement

Ladies and gentlemen:

Attached for the approval and signature of the City of DeKalb, please find four (4) originals of the referenced document for the subject project. Authorization for this agreement has been recently granted by the Illinois Division of Aeronautics (e-message attached).

Two signatures by the Mayor and attest and the City corporate seal are required on Page 24 of each document. The Division will no longer accept agreements without the corporate seal. Once they are fully executed, you should retain one original for the City’s files and return three to Hanson for further processing by the Division and Hanson. A pre-stamped envelope is attached for this purpose.

Hanson appreciates the opportunity to be of service to DeKalb-Taylor Airport and the City of DeKalb in this most important project. Please contact us with any questions.

Respectfully,

HANSON PROFESSIONAL SERVICES INC.

Ron,

Following an independent review and analysis of the proposed construction services phase engineering fee for the above referenced project, the following has been approved by this office:

- CPFF total amount not to exceed $28,335.00

Please provide our office with a hard copy of the executed engineering agreement.

Thanks,

Joseph K. Staats
Assistant Airport Design Engineer

Ron,

See attached for my agreement review comments for the subject-referenced project. I will need a new draft agreement with the requested information before I can recommend the fee for approval. Let me know if you have any questions.

To: Staats, Joseph; Cleveland, Tom

Ladies and gentlemen:

Attached for the review of the City of DeKalb and the Illinois Division of Aeronautics, please find the referenced draft agreement for the subject project. This proposal is in anticipation of a successful 03 March 2017 letting. The fee and work effort has considered the construction phase services already agreed to in the DKB-4431 Consultant Agreement executed on 14 September 2015. The combined fees are consistent with the 06 January 2017 Opinion of Probable Project Cost submitted earlier.

Should you have any questions, please contact me.

Respectfully,
