34.1. The Uniform Budget is attached as Part Three, Attachment 2.

34.2. Under the Act, the Grantor enters into this Grant Agreement to implement Grantee's approved program of expenditures, within the following condition:

(a) The Grantee shall be paid under this Agreement sixty-five percent (65%) of Grantee's eligible operating expenses incurred during fiscal year 2019, up to the corresponding identical or minimally different appropriation amount provided by the appropriation legislation for fiscal year 2019, as per 30 ILCS 740/2-7(b-10) and 30 ILCS 740/2-3(d), as long as there are sufficient funds transferred into the Downstate Public Transportation Fund (30 ILCS 740/2-7 (b)), and provided that the amount paid under this Agreement together with any operating assistance received by the Grantee from any other state or local agency for fiscal year 2019 does not exceed Grantee's actual operating deficit for that year.

34.3. The Grantor has approved and agrees to make a grant in the estimated amount of $5,192,400.00, subject to the limitations set forth above, the Act and Illinois Administrative Code Title 92, Chapter I, Subchapter h, Part 653.

34.4. In the event that a Grantee receives an amount in excess of the amount provided to be paid to the Grantee above, or the combined state and local operating assistance grants for fiscal year 2019 exceed Grantee's actual operating deficit for that year, Grantee agrees to remit to the State any excess funds received. For purposes of this Agreement, the term "operating deficit" shall have the following meaning set forth in Section 2-2.03 of the Act (30 ILCS 740/2-2.03): "the amount by which eligible operating expenses exceed revenue from fares, reduced fare reimbursements, rental of properties, advertising, and any other amounts collected and received by a provider of public transportation, which, under standard accounting practices, are properly classified as operating revenue or operating income attributable to providing public transportation and revenue from any federal financial assistance received by the participant to defray operating expenses or deficits. For purposes of determining operating deficits,
local effort from local taxes or its equivalent shall not be included as operating revenue or operating income."

34.5. Grantee agrees to commit the necessary local funding to cover costs incurred in providing public transportation which are not reimbursed under this Agreement or by other federal, state or local assistance programs.

ARTICLE XXXV
PAYMENT PROCEDURES

35.1. The Grantor shall process up to a total of five payments, comprising of a combination of advance, reimbursement or reconciling payments, to Grantee upon the timely receipt of quarterly expense and revenue submitted on the Grantor's prescribed forms. Payments will be processed upon the Grantor determining if and to what extent the request is for eligible operating expenses incurred in conformity with Grantee's approved application and the Act.

(a) Grantees shall have the flexibility to request: an advance based on its estimated quarterly expense and revenue, up to the date the actual expense and revenue for that quarter is required to be filed with the Grantor; or

(b) a reimbursement for actual quarterly expense and revenue incurred; or

(c) a combination of both.

35.2. Advance payments may not be processed by the Grantor, or dated by the Grantee, earlier than thirty days prior to the start of the quarter for which the advance is requested. No payments will be made until the State’s annual budget has been passed, and grant contracts are fully executed by both the Grantor and the Grantee and filed with the Office of the Comptroller.

35.3. Grantee shall file actual expense and revenue incurred in the 1st, 2nd, 3rd and 4th quarters by December 1, March 1, May 1, and August 1, respectively.

35.4. The Grantee shall adjust payment requests to reflect all previous quarter actual expense and revenue not reflected in previous payment requests.

35.5. Grantee agrees that payment shall not constitute a final determination by the Grantor of the eligibility of such expense and shall not constitute a waiver of any violation of the terms of this Agreement. The Grantor reserves the right to offset any payment to satisfy any monetary claims that the Grantor may have outstanding against Grantee.

ARTICLE XXXVI
ELIGIBLE OPERATING EXPENSES

36.1. Eligible operating expenses include, but are not limited to the following:

(a) employee wages and benefits;

(b) materials, fuels and supplies;

and administering the acquisition and ownership of the equipment and facilities, the Grantee complies with the Grantor’s “Public Transportation Capital Improvement Grants Manual” and “Supplemental Operating Assistance Guidelines”;

(f) non-rolling stock-equipment purchases that are less than $10,000;

(g) administrative costs (i.e., costs incurred in capital grant record keeping, grant management, and the preparation of status reports required by the Department under its capital grant program) associated with capital projects which are not reimbursed elsewhere;

(h) routine maintenance and repairs to buildings, equipment or vehicles that do not extend their useful life for replacement eligibility purposes;

(i) reasonable expenses and compensation for Grantee's board members or trustees as provided under the Local Mass Transit district Act (70 ILCS 3610/4);

(l) Eighty percent of the dues paid by the applicant to the Illinois Public Transportation Association and 90% of the dues paid by the applicant to the American Public Transportation Association or the Community Transportation Association of America; and

(m) any other expenditure that an independent auditor retained by the Grantee's governing board determines is required for the provision of public transportation according to the most current version of AICPA’s generally accepted standard accounting principles for public transportation operations.

(p) expenses for freight haulage provided by Grantee;

(q) any expense that is reimbursed from insurance proceeds;

(r) maintenance or operation of vehicles that are not used by a Grantee or its contractors for public transportation or to support public transportation operations; and

(s) any other expense determined by the Grantor to be inconsistent with federal regulations or requirements.

ARTICLE XXXVIII
PROJECT CLOSEOUT

38.1. Upon the Grantor’s receipt of the Grantee’s independent audit report of the Project, the Grantor shall perform a review of the Grantee’s independent audit to determine whether to approve the independent audit. Once the Grantee’s independent audit has been approved by the Grantor, the Grantor shall determine the eligibility of costs incurred and shall make a final determination of amounts due to the Grantee under this Agreement. If the Grantor has made payment to the Grantee in excess of the final total amount determined by the Grantor-approved independent audit to be due the Grantee, the Grantee shall promptly remit such excess to the Grantor.

38.2. At the discretion of the Grantor, several years of audit reconciliation balances may be combined to allow for one payment to reconcile minor annual reconciliation balances. The Project close-out occurs when the Grantor notifies the Grantee that the Project is closed-out and forwards the final Grant payment, as determined by the Grantor-approved independent audit to the Grantee, or when an appropriate refund of Grant funds, as determined by the Grantor-approved independent audit, has been received from the Grantee and acknowledged by the Grantor. Close-out shall be subject to any continuing obligations imposed on the Grantee by this Agreement or contained in the final notification or acknowledgment from the Grantor.

38.3. Payment issues, audit issues or any other matters pertaining to the grant may not be subsequently raised and are forever settled upon Project closeout.
ARTICLE XXXIX
SCHOOL BUS OPERATIONS

39.1. Pursuant to 20 ILCS 2705/2705-605(f), Grantee agrees not to engage in school bus operations exclusively for the transportation of students and school bus personnel in competition with private school bus operators where such private school bus operators are able to provide adequate transportation at reasonable rates, in conformance with applicable safety standards. However, this requirement shall not apply if Grantee operates a school system in the locality and operates a separate and exclusive school bus program for the school system. Grantee's certification regarding school bus operations is signed and attached to this Agreement as Part Three Attachment 1.

ARTICLE XL
ETHANOL GASOLINE

40.1. Pursuant to the Downstate Public Transportation Act (30 ILCS 740/2-15.1), Grantee hereby certifies that all gasoline burning motor vehicles operated under its jurisdiction use, if capable, fuel containing ethanol gasoline.

ARTICLE XLI
NO WAIVER

41.1. No failure of Grantee to assert any right or remedy hereunder will act as a waiver of its right to assert such right or remedy at a later time or constitute a course of business upon which Grantor may rely for the purpose of denial of such a right or remedy to Grantee.

ARTICLE XLII
GRANTEE'S RESERVATION OF RIGHTS

42.1. This contract is executed by Grantee with a reservation of rights to contest provisions inconsistent with the enabling legislation, Downstate Public Transportation Act (30 ILCS 740) and the Illinois Constitution.

ARTICLE XLIII
FAILURE TO APPROPRIATE FUNDS

43.1. This Agreement, notwithstanding anything to the contrary set forth herein, is subject to Section 2-3(d) of the Downstate Public Transportation Act (30 ILCS 740/2-3(d)).
Pursuant to Section 49.19(6) of the Civil Administrative Code of Illinois (20 ILCS 2705/49.19(b), as a condition of receiving grant monies from the Illinois Department of Transportation, the Grantee certifies that it is not engaged in school bus operations exclusively for the transportation of students and school bus personnel in competition with private school bus operators where such private school bus operators are available to provide adequate transportation at reasonable rates in conformance with applicable safety standards.

If the Grantee does engage in school bus operations exclusively for the transportation of students and school bus personnel as described above, then the Grantee certifies that it operates a school system in the area to be served and operates a separate and exclusive school bus program for the school system.

The Grantee further agrees and certifies that it shall immediately notify the Grantor in writing of its involvement in or its intention to become involved in any school bus operation prohibited by Section 49.19(6) of the Civil Administrative Code of Illinois after the date of this certification.

SECTION A - Continued - Indirect Cost Rate Information
If your organization is requesting reimbursement for indirect costs on line 17 of the Budget Summary, please select one of the following options:

1. Our Organization receives direct Federal funding and currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with our Federal Cognizant Agency. A copy of this agreement will be provided to the State of Illinois' Indirect Cost Unit for review and documentation before reimbursement is allowed. This NICRA will be accepted by all State of Illinois agencies up to any statutory, rule-based or programmatic restrictions or limitations. NOTE: (If this option is selected, please, provide basic Negotiated Indirect Cost Rate Agreement in area designated below.)

Your organization may not have a Federally Negotiated Cost Rate Agreement. Therefore, in order for your organization to be reimbursed for the indirect Costs from the State of Illinois your organization must either:

a. Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from your State Cognizant Agency on an annual basis;
b. Elect to use the de minimis rate of 10% modified for total direct costs (MTDC) which may be used indefinitely on State of Illinois awards; or
c. Use a Restricted Rate designated by programmatic or statutory policy (see Notice of Funding Opportunity for Restricted Rate Programs).

2a. Our Organizations currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with the State of Illinois that will be accepted by all State of Illinois agencies up to any statutory, rule-based or programmatic restrictions or limitations. Our Organization is required to submit a new Indirect Cost Rate Proposal to the Indirect Cost Unit within 6 months after the close of each fiscal year [2 CFR 200, Appendix IV(C)(2)(c)]. NOTE: (If this option is selected, please provide basic Indirect Cost Rate Information in area designated below.)

2b. Our Organization currently does not have a Negotiated Indirect Cost Rate Agreement (NICRA) with the State of Illinois. Our organization will submit our initial Indirect Cost Rate Proposal (ICRP) immediately after our Organization is advised that the State award will be made no later than three (3) months after the effective date of the State award [2 CFR 200 Appendix (C)(2)(b)]. The initial ICRP will be sent to the State of Illinois Indirect Cost Unit. Note: (Check with you State of Illinois Agency for information regarding reimbursement of indirect costs while your proposal is being negotiated.)

3. Our Organization has never received a Negotiated Indirect Cost Rate Agreement from either the Federal government or the State or Illinois and elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards [2 CFR 200.414 (C)(4)(f) and 200.48.] [Note: Your Organization must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs.]

4. For Restricted Rate Programs, our Organization is using a restricted indirect cost rate that:
   - [ ] is included as a "Special Indirect Cost Rate" in the NICRA, pursuant to 2 CFR 200 Appendix IV(5); or
   - [ ] complies with other statutory policies.

   The Restricted Indirect Cost Rate is: %

Adobe Creative Cloud: The Adobe Creative Cloud is purchased for 3 staff members and is considered an office expense. Office 365: Office 365 is used by all City Employees for email and all other office suite programs. New Software/Upgrades: Transit staff purchases financial software to manage all budget and financial reporting functions required to manage GATA and transportation grants. Annual upgrades are budgeted here. Transit staff is growing and needs office furniture purchased. New computers also need to be purchased for staff. $4000 is being budgeted for the purchase of 2 desktop computers and 2 laptop computers. The city policy is to expense out small office furniture and computer purchases in the year they are received. 43% of the cost of the office furniture line-item is allocated to FTA operating assistance.</td>

6). Contractual Services (2 CFR 200.318) & Subawards (200.92)

Provide a description of the product or service to be procured by contract and an estimate of the cost. Applicants are encouraged to promote free and open competition in awarding contracts. A separate justification must be provided for sole contracts in excess of $150,000 (See 2 CFR 200.88). NOTE: this budget category may include subawards. Provide separate budgets for each subaward or contract, regardless of the dollar value and indicate the basis for the cost estimates in the narrative. Describe products or services to be obtained and indicate the applicability or necessity of each to the project.

Please also note the differences between subaward, contract, and contractor (vendor):
1) Subaward (200.92) means an award provided by a pass-through entity to a sub-recipient for the sub-recipient to carry out part of a Federal/State award, including a portion of the scope of work or objectives. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal/State program.
2) Contract (200.22) means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward.
3) "Vendor" or "Contractor" is generally a dealer, distributor or other seller that provides supplies, expendable materials, or data processing services in support of the project activities.

**Contractual Services Narrative (State):**

DeKalb Contractual Services are agreements in which a contractual agreement has been entered into between the City and the contractor. All agreements about $20,000 must be approved by the City Council and approved by the Mayor. The following agreements, are paid via State DOAP grants (57% of the operating costs). The other 43% of the costs are paid via FTA operating assistance grants and local contributions. Below are the following contracts:

City Attorney Fee's: The City contracts with Dean Freiders LLC to provide City legal services, including legal services for public transit. The City Transit Budget is charged an annual fixed fee of $5,200, which is distributed between the DOAP grant (57%) and the FTA operating assistance grant (43%).

City Audit Fee's: The City currently contracts with Sikitch LLC to provide the annual City audit, including an audit and single-audit fee for the public transit budget. The annual fee is approximately $1,150 per year, which is distributed between the DOAP grant (57%) and the FTA operating assistance grant (43%).

Transit Website & Website Maintenance: The City contracts with CivicPlus to manage the City website. A portion of the City fee is charged to the public transit program, which is distributed between the DOAP grant (57%) and the FTA operating assistance grant (43%).

Fixed Route Huskie Line Transit Services: The City is taking over the management of the Huskie Line, which provides public transit services to Northern Illinois University. This agreement will provide fixed-route public transit services for NIU and the City of DeKalb. There was 5 vendors who indicated interest in bidding on this agreement, but only Transdev submitted a bid on the RFP. This is the current provider of the Huskie Line, which is contracted with NIU. In talking to the other vendors, the main reason for not bidding was the inability to find a location for the transit facility (the City of DeKalb does not currently own its own facility and requires the vendor to provide their own facility), and finding a sufficient number of transit vehicles to provide the service. As these are not items that the City is capable of providing, the City was unable to make the RFP more competitive in that regard. The City is currently moving forward on entering into an agreement with the sole bidder. The funding

indicated in this grant application is based on the budget submitted as part of the RFP. The contract will be funded with a combination of DOAP grant funds (57% of the agreement operating costs), an allocation of FTA operating assistance, and NIU Student Public Transit fees. The agreement will run from January 1, 2019 to December 31, 2024, with an option to renew for 2 additional one-year terms.

Paratransit and Demand Response Transit Services: The City has an agreement with the Voluntary Action Center (VAC) to provide paratransit and demand response service in the DeKalb urbanized area (including DeKalb, Sycamore, and Cortland). The agreement went into effect on October 1, 2016, and is currently in its 2nd of 3 one-year term renewals. This agreement is funded through DOAP (57% of VAC's operating costs), and the remaining 36% is paid through City FTA operating assistance grant funds, and local funds contributed by VAC.

15). GRANT EXCLUSIVE LINE ITEM

Grant Exclusive Line Item Description:
Costs directly related to the service or activity of the program that is an integral line item for budgetary purposes. To use this budgetary line item, an applicant must have Program approval. (Please cite reference per statute for unique costs directly related to the service or activity of the program). (Note: Use columns within table as needed for the item being reported. Leave blank those columns that are not applicable. This table does NOT auto-calculate each line. You must enter the line totals. The table will auto-calculate the State, Non-State, and Total Grant Exclusive Line Item amounts based on your line entries. The State, Non-State and Total Grant Exclusive Line Item amounts will NOT carry forward to the Budget Narrative Summary table. You will have to enter the State and Non-State Totals for ALL Grant Exclusive Line Items in the Budget Narrative Summary table. Use the "Add New Grant Exclusive Line Item" button below to add additional tables as needed.)

16. Indirect Cost (2 CFR 200.414)

Provide the most recent indirect cost rate agreement information with the itemized budget. The applicable indirect cost rate(s) negotiated by the organization with the cognizant negotiating agency must be used in computing indirect costs (F&A) for a program budget. The amount for indirect costs should be calculated by applying the current negotiated indirect cost rate(s) to the approved base(s). After the amount of indirect costs is determined for the program, a breakdown of the indirect costs should be provided in the budget worksheet and narrative below.

UNIFORM GRANT BUDGET TEMPLATE

Budget Narrative Summary—When you have completed the budget worksheet, transfer the totals for each category to the spaces below to the uniform template provided (SECTION A & B). Verify the total costs and the total project costs. Indicate the amount of State requested funds and the amount of non-State funds that will support the project. (Note: The State, Non-State, and Total cost amounts for each line item below are auto-filled based upon the entries in the preceding budget tables 1-14 and 16. The State and Non-State Total amounts from Table 15 above, Grant Exclusive Line Item(s), must be entered into this table by hand due to the possibility of there being more than one Grant Exclusive Line Item table. Once the Grant Exclusive Line Item(s) amounts are entered into this table, the State Request amount, Non-State Amount and the Total Project Costs will be calculated automatically. It is imperative that the summary tables be completed accurately for the Budget Narrative Summary to be accurate.)

§200.308 Revision of budget and program plans

(e) The Federal/State awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal/State awards in which the Federal/State share of the project exceeds the Simplified Acquisition Threshold and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent or $1,000 per detail line item, whichever is greater of the total budget as last approved by the Federal/State awarding agency. The Federal/State awarding agency cannot permit a transfer that would cause any Federal/State appropriation to be used for purposes other than those consistent with the appropriation.
