## CDBG Owner-Occupied Housing Rehabilitation Program Guidelines

The City of DeKalb Owner-Occupied Housing Rehabilitation Program is a grant or combination grant/loan program designed to assist very-low and low income families in maintaining safe, sanitary and decent housing. The objective of this program is to provide families or individuals who have insufficient resources or who cannot obtain necessary credit at affordable costs an opportunity to repair their homes. Priority must be given to emergency situations as funds are limited.

The Owner-Occupied Housing Rehabilitation Program is administered by the City of DeKalb and funded through a Community Development Block Grant (CDBG) from the Department of Housing and Urban Development. Federal Guidelines are issued on an annual basis and must be adhered to for funding under these programs.
