

Freedom of Information Act Posting

June 2019

The information within the following packet has been posted by the City of DeKalb in accordance with the following guidelines:

(5 ILCS 140/4) (from Ch.116, par. 204) Sec. 4. Each public body shall prominently display at each of its administrative or regional offices, make available for inspection and copying, and send through the mail if requested each of the following:

- (a) A brief description of itself, which will include, but not be limited to, a short summary of its purpose, a block diagram giving its functional subdivisions, the total amount of its operating budget, the number and location of all of its spate offices, the approximate number of full and part-time employees, and the identification and membership of any board, commission, committee, or council which operates in an advisory capacity relative to the operation of the public body, or which exercises control over its policies or procedures, or to which the public body is required to report and be answerable for its operations; and

- (b) A brief description of the methods whereby the public may request information and public records, a directory designating the Freedom of Information officer or officers, the address where requests for public records should be directed, and any fees allowable under Section 6 of this Act. A public body that maintains a website shall also post this information on the website.

GENERAL INFORMATION

The mission of the government of the City of DeKalb is to maintain and improve the quality of life of its residents. This goal is met by providing municipal services that are responsive to the needs of the residents and businesses of the City in a reliable, efficient and fiscally responsible manner.

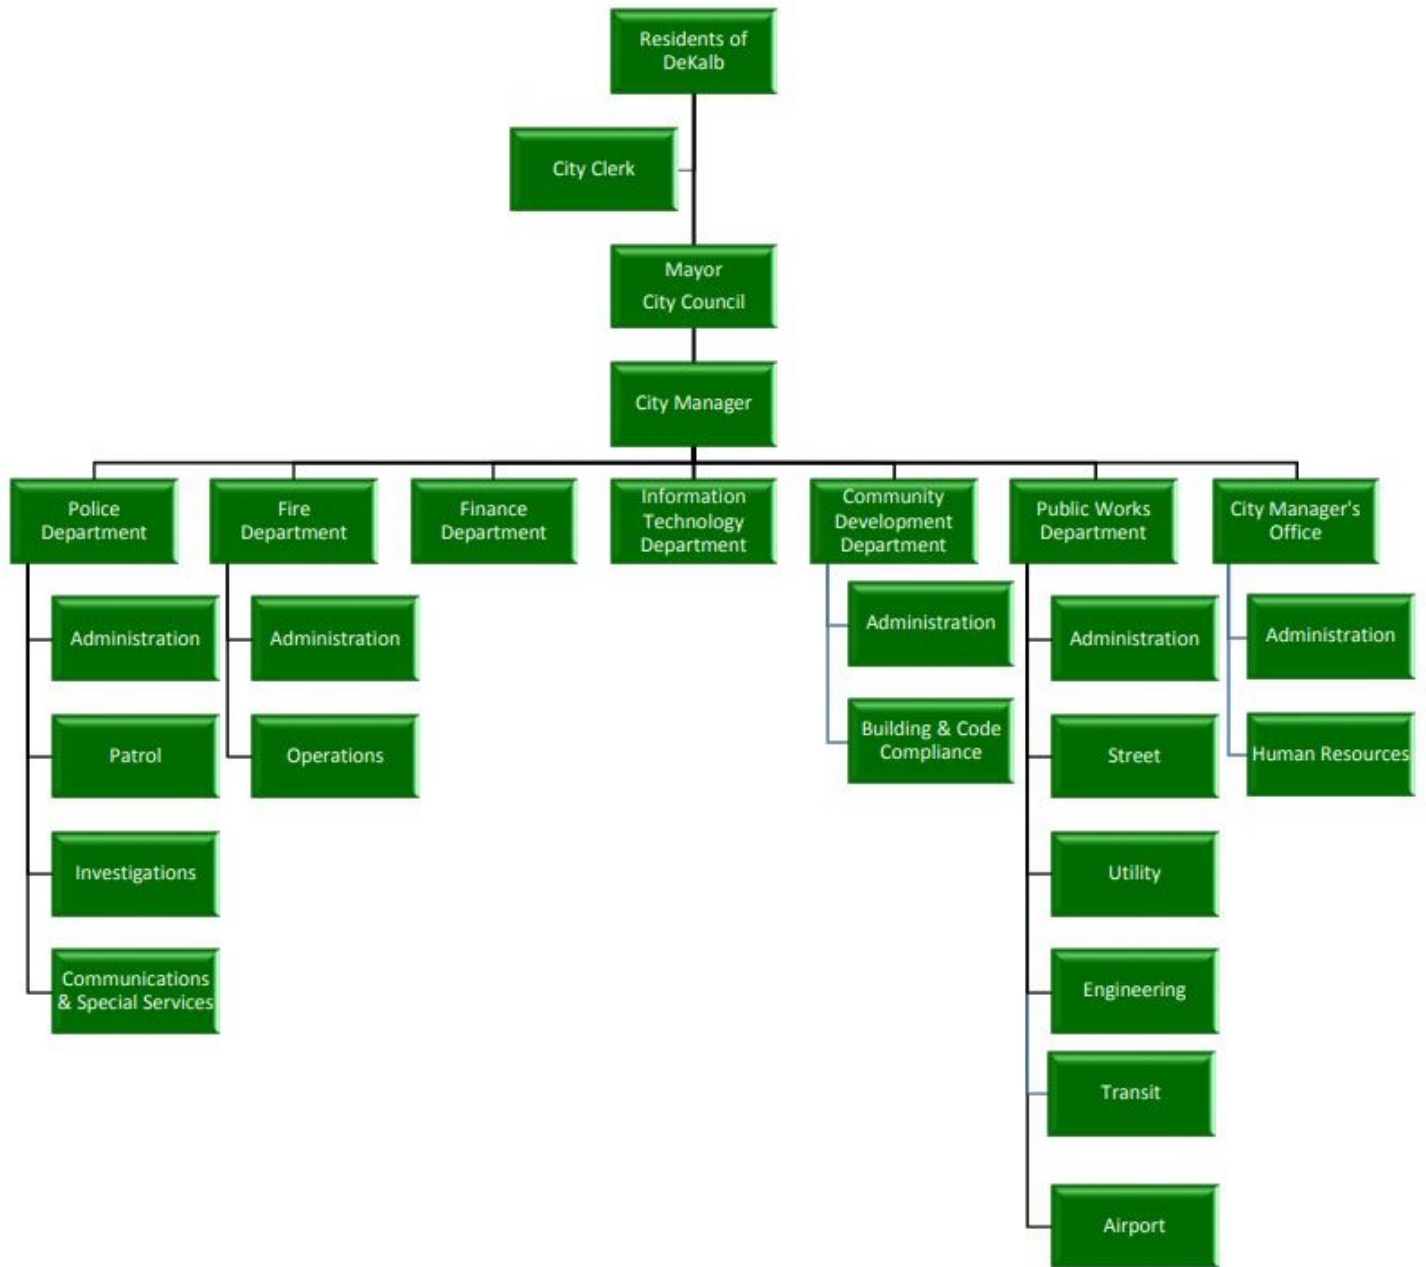

The City of DeKalb is located 60 miles west of Chicago, 29 miles northwest of Aurora and 40 miles southeast of Rockford. DeKalb offers ready access to the I-88 and I-39 tollways. The historic Lincoln Highway (Illinois Route 38) travels through the heart of DeKalb's downtown.

The City of DeKalb is an urban community with a vital industrial and commercial base within a rural setting. DeKalb's diverse neighborhoods offer a variety of housing options to residents of different economic, ethnic, and lifestyle backgrounds. Its highly educated workforce finds plentiful opportunity for fulfilling work. The community offers a high quality of life with excellent city services, easy mobility around the community, and access to cultural , sports, and educational activities.

The City of DeKalb operates under the Council-Manager form of government. The day to day operations of the City are managed by the City Manager, whose main goal is to ensure effective implementation of City Council policies through efficient professional management of all aspects of City government. The manager is hired by the City council, which consists of the Mayor at large and 7 aldermen elected on a ward basis. The council sets policy for the City, adopts ordinances and resolutions, approves the annual budget (Fiscal Year 2017: \$97,964,946). The City of DeKalb retains 197 full-time and 47 part-time employees. The organizational chart below depicts the functional division of the City's employees.
